I started getting these after withdrawing money from a family convenience store in Converse, Texas. They are certainly fraudulent. I have submitted police reports and they are currently under investigation. Police requested cameras at the location of the transactions. She found that it had brought me back the next day. The following month, I had an PAI Withdrawal at ATMs for \$62 I didn't do. That was in May 2019. This month, June 2019, there were 4 unauthorized transactions. One was \$250, one was \$24.70, the other was \$250, and the other was \$31.17. It was my money for people with disabilities. I reported it to Direct Express and filled out the documents for a dispute. And the Comerica bank is worthless, and Direct Express is not much better. Now I can't pay my car payment, or move into an apartment I had planned. I'm going to lose my car. I'm so angry and disappointed with these people. Idk what to do. posted 06/17/2019 by Robin T Foran Helpful (5) 5 Not So Much (10) 10 2019-06-17 17:00:21 UTC -0.6454972244367903 \$160 has been withdrawn from my unknown bank card I need my money ASAP posted 03/02/2020 by Talisha Austin Helpful (0) 0 Not So Much (2) 2 2020-03-02 16:53:49 UTC -707106781186548 2/12/20 atm cash I never withdrawal went anywhere yesterday. posted 02/13/2020 by Karen Delaney Helpful (0) 0 Not So Much (2) 2 2020-02-13 23:02 :29 UTC -0.707106781186548 1.Went to ATM Entered PIN (Nobody Else Knows) Withdrew \$40 - OF Course there was a Fee.
