Chef full movie dailymotion

Hot on the heels of the successful first season, a wall of chefs tests the skill and nerves of home cooks in Canada as they battle in the kitchen of the wall of chefs, under the towering shade of the country's best chefs known as the Wall. In each episode, four home cooks will enter the kitchen of the chef's wall to face three intense rounds of culinary challenges. In the first round, they must prepare the collective pleasure, in the second round they will be challenged to create a dish using three essential ingredients from the home refrigerator of a chef, and in the third and final round, the chefs will be inspired by the chef's signature dish to make their own creativity worth the restaurant. The chef's wall will provide colorful comments and experiences throughout the three rounds of the competition with tasting, one home cook, judging and eliminating it after each round. The last chef standing will win the \$10,000 cash prize and respect the chef's wall. Watch The Chef's Wall Tuesday at 10 p.m. ET/PT. Stream all of Canada's favorite food network offerings through STACKTV with Amazon Prime video channels, or with the new Global TV app, directly and on demand when you sign in with your cable subscription.
