In the time of the butterflies epilogue questions

Learn the words Rewordify.com. From disappointment to understand, do not allow the abstracting lexicon to increase your awe. Rewordify.com can assuage your anxiety. Don't let a heavy and confusing list of words increase your fear and nervousness. Rewordify.com can soothe your fear and stress. Rewordify.com simplifies the complex English language. Enter the hard sentences (or entire chapters) in the yellow box at the top of the page. (You can also enter a website URL.) Click Rewordify text and you'll instantly see a simpler version for quick insight. Reformulated words are highlighted - click them to hear and learn the original harder word. You can change how the backlight works according to how you learn! You don't like dictionaries because they are confusing and unhelpful? You'll love Rewordify.com clear, easy to understand definitions – they change according to the original word or phrase part of the language, the verb is tense, and the singular/plural shapes, so they make sense. Our amazing Rewordifying Engine is what does its best and no other website has it. Want to see something now? Click Classic Literature at the top and start reading – easier. Read better tomorrow. Learn more words faster. Our exclusive training sessions actively teach you words to get you to learn them. Whenever you insert text into a block, our software finds all the harsh words, lets you choose which ones you want to know, and then teaches them to you in a training session.The training session is not an online quiz: it's an effective, step-by-step process where you hear words and phrases, type them in and read them. The software re-teaches you exactly what you need when you need it and moves forward when you're ready. When you've learned the word, the site stops resale it, so the site grows with you as you learn! Learn more about training sessions. Learn your way. Example sentence: I used to hate and eschew wigs in English. Style: Pereword; click to see the original used to hate and avoid careful reading english. Find out how you want to- from what you want to read. You can change the way a site works according to your learning style as you read and learn from almost any text passage or web page. View different selection styles Box? You can choose any of them, and many other options. Click Settings (at the bottom of the page now or at the top of any page) to see all the choices. (The demo text in the box here never changes.) Pump up your progress and have fun. You can track your learning with lots of detailed charts that as you do. Also, when you use the site, you earn points and get Learning Stars - a fun reward for reading and learning! Now you can easily participate in learning: let them choose the text that interests them. Allow them to print and complete the activities with which they are most convenient. Imagine each student studying a dictionary customized to their interests, while you have time to teach instead of typing. Can interest differentiation or willingness be easier? You can start doing this today, for free. Teach more, click less. You never have to enter another dictionary list or quiz again. Type (or copy-paste) into any block of text in the yellow box at the top of this page, click Rewordify Text, and then click the Print/Student Activities button. Here's how. You (or your students!) can choose from a host of quizzes and training activities, with or without answer keys. Do I need to teach (or not teach) specific vocabulary words and phrases? Rewordify.com gives you the exact control required for a specialized vocabulary instruction. You can make individual word lists so that the site rewrites and taught any word or phrase exactly as you want. Find out how you want to- from what you want to read. You can change the way a site works according to your learning style as you read and learn from almost any text passage or web page. Do you want to view the different selection styles in the box? You can choose any of them, and many other options. Click Settings (at the bottom of the page now or at the top of any page) to see all the choices. (The demo text in the box here never changes.) Pump up your progress and have fun. You can follow learning with lots of detailed charts that show how you're doing. Also, when you use the site, you earn points and get Learning Stars - a fun reward for reading and learning! Now you can easily participate in learning: let them choose the text that interests them. Allow them to print and complete the activities with which they are most convenient. Imagine each student studying a dictionary customized to their interests, while you have time to teach instead of typing. Can interest differentiation or willingness be easier? You can start doing this today, for free. Create a learning library. Keep all your documents online so anyone can read and learn them at any time. Just sign in, re-order something and click Share. Select as a public or private document, enter a title, author, etc., and everything is ready! You get a link that you can put in online lesson plans, web pages or blog. No longer re-learns the same thing over and over again! You can view, manage, and edit all documents from any computer.
