(San Francisco Chronicle review) Most of the jokes in the film are surprising, and one of the passages is even more impressive. Both the main roles were enjoyable, and the other actors were pleasant surprises. Game Night is a comedy for sharp adults, not a laugh of being vulgar and vulgar. (Detroit News) terrier comedy in the movie is smart, and the sense of adventure for the public is real. At least one turn of land is enough to scare the public. (New York Post review) The film is crazy and eccentric, with an unusually special sense of humor, a wonderful cass with a series of gun-like dialogue and rhythm, Game Night easily gives the audience a strange surprise.
