The winter sports season for low- and medium-risk sports has been postponed until December 14th. However, students at Bethlehem Central High School are now able to enroll for the following sport: Varsity Boys Swim & Dive Varsity Gymnastics Girls Varsity Bowling Boys Varsity Bowling These sports classes will be offered to students in classes 9-12. Registration for the sport, considered high risk, including cheering, ice hockey and basketball, will only take place with the necessary permission of New York State. The deadline to register is Friday, December 11. More info here: [New Athletic Handbook / Updated Code of Conduct Student-athletes and their families will want to take a look at the new Athletic Handbook for 2019-20.](#) As part of the Bethlehem Central School District and the Suburban Council, it includes an updated Code of Conduct and many important information about policies, procedures and details about intersport participation. General Knowledge Bethlehem Central believes that participation in sports provides students with numerous opportunities and experiences to help them with their education. Accordingly, the district offers students the opportunity to participate in more than 20 sports over three seasons. The district is a member of the New York State Athletic Association, which competes as a Class A school in Section II. BC's relationship in the league is with suburban Scholastic Council, which competes in the southern part of the Council. [Team Websites \[at the top of the page\]](#) Instructions for Suburban Council Schools For directions directions and information, see the following links to schools within the Suburban Council: [\[at the top of the page\]](#) the purpose of the Athletic Placement Process Athletic Placement Process (formerly The Selection Classification) is to provide students in grades 7 through 12 with a mechanism that allows them to safely participate at a level of competition that is appropriate for age and grade. Students are not mature at the same rate, and there can be enormous developmental differences between students of the same age. The program should not be used to fill positions on teams, provide additional experience, provide space for secondary school students when a modified program is not offered, or reward a student. Instead, it is aimed at several selected students who can benefit from this placement due to their level of readiness. It will also be fairer for other students on modified teams. This State Education program expands the eligibility of qualified middle school students to high school. The Board of Education may allow students not younger than seventh grade to compete on any high school team, or allow senior higher students to compete on teams in the seventh grade, provided that they are placed in competition levels in accordance with the standards set by nys commissioner – Department of Commission Regulations 135.4(c), which complies with the physiological maturity, physical fitness and skills of other students on these teams. ii) (a)(4). Concussion Management Policies, Protocols and Resources Visit the Bethlehem Central Board of Education policies page for concussion policies and protocols. Concussion Management and Awareness Information: On July 1, 2012, The State of New York enacted the Concussion Management and Awareness Act. The Education Commissioner worked with the Health Commissioner to produce guidelines for school districts to protect the health and well-being of students with concussions. Bethlehem Central School District, respond to the New York State Concussion Management and Awareness Act by developing a district-wide Concussion Management Protocol. This Protocol outlines procedures for district staff, parents and students to monitor the management of head injuries; as well as guidance returning to activities after a concussion. The objectives of Bethlehem's concussion management are: Training related to head injuries and concussion The appropriate medical follow-up return/activity guidance law states that coaches, athletic trainers, physical education teachers and school nurses will receive state-approved biennial training related to concussion awareness and management. Bethlehem Center also believes it is important for parents and students to access head injuries and concussion materials. Online Resources: Below are some resources to learn more about tremors. Both teams have recorded impressive wins and we look forward to continuing the climb upwards. A total of 14 field squads are in five classifications in the first half of the season. Other top-rated Division II leaders are No. 7 Albany Academy (Class A), No. 8 Glens Falls (Class B), No. 6 Lake George (Class C) and No. 4 North Warren (Class D). Here's an eye Half the men's basketball season. Sign up for our weekly newsletter for the latest high school sports news. Big schools Rising star: After serving as a reserve during his first season, Albany Academy sophomore center Riley Mulvey has seen him greatly expand his role this season for cadets. Already several Division I coaches areraders, with Mulvey averaging 10.1 points, 7.8 rebounds and 4.2 blocks per game. He also attracts an impressive 72 percent from the field. Half player: If Episode II was a season dunk contest, there would be only one participant - Albany Academy senior star Andre Jackson. But like anyone who watches the 6-foot-7 standout game, he is much more than just high-flying dynamo. Jackson is averaging 21.9 points, 10.1 rebounds and 2.3 blocks per game. The senior, who is dedicated to playing next at UConn, is shooting 57 percent from the field and making 18 3-pointers. Half-coach: Shenendehowa coach Tony Dzikas has graduated from the program's 2018-19 roster with a wealth of talent, but the limited-overs team is topped the suburban Council rankings entering this season, ranking 18th in the senior AA state survey. Rising star of small schools: Cohoes standout Royal Brown, a freshman only, announced his presence with authority over Watervliet by 35 points. He scored 34 points for La Salle and 33 against Stillwater. Brown's 5/20 home run threatens to score big every game with a 27.8-point average per game. Half-player: Schalmont is one of the top contenders for the Division II Class B title and is likely to lead the Sabres to the title this season after senior Shane O'Dell fell to Glens Falls in the 2019 final. O'Dell averages 24.7 points, 14.1 rebounds and 3.0 blocks per game. James Cuyler made Chestertown talk about the North Warren team. The Cougars are 9-0 (eight wins coming with double-digit margins) and Ranked No.4 in the Class D state poll. Major tests of the Adirondack League game await against Lake George (Jan. 17) and Argyle (January 29), but Cuyler certainly points to the Cougars toward a big season. Notable items: Veteran star Shane O'Dell overcame Corey Osinski as the all-time leading scorer at Schalmont. ... Jon Kempf, a senior caretaker in Hoosick Falls, eclipses the school record for points previously held by Howie Dewey. ... Hoosick Falls has won 57 Wasaren League games in a row. The Panthers are ranked Class B No 15, seeking their seventh consecutive division title. ... Albany Academy coach Brian Fruscio directed Cadets Stevenson 68-35 at No 350 Sunday to earn a recorded career. Games to watch Green Tech at The Christian Academy of Mekeel, Tuesday. Green Tech Albany held its first meeting 75-61 on December 10. The Lions are looking forward to ensure this emerging competitive split season. Saratoga, Green 17: In the second part of a big week Green Tech Blue Streaks, 2019 Episode II Class AA has a program hosting captured in the title. Hoosick Falls Mechanicsville, January 17: The rest of the Wasaren League has had a decade chasing Hoosick Falls for the top spot, and the Panthers have won six straight years in the division title race. The Red Raiders are firing to restore superior power.
