Total gym 1700 club rollers

Upgraded Total Gym® Parts (scroll down for parts) We make the strongest total gym® Wheels 15 years warranty on breakage roller wheels We have put together an easy guide that will help you quickly locate the right spare parts for Total Gym®. Just look below and find the section best describes your gym and click Download parts Includes the following models: 1000, 1500, 1700, 1700 Club, 1800 Club, Elite, EX, PRO, Supra, Ultra, Max, Maximum, Platinum, Gold, Ultimate, XLi and any model in which the external to outer dimension of the upper rails is 8 5/8 inches. Large Frame Style 1 (Standard/Retail) Total Gym® If you have wheels in the picture, the metal bearing fits completely inside the plastic wheel and is recessed inside the wheel about 1/8 on both sides. It usually has a 626Z stamped on the side of the bearing. It is the most common wheel found on total gym 2000 and 3000, but is found on some 3000XL and several early XL models. The dimension of the upper rails from the outside to the outside is from 9 5/8 to 9 3/4. Large Frame Style 2 (Usually Infomercial) Total Gym® If your wheels look like this picture, the metal bearing protrudes about 1/4 off the wheel on one side and is recessed inside the wheel about 1/8 on the other side. This wheel is mainly located on total gym 2000, 3000, some 3000XL, and very few early XL models. The outer-to-outer dimension of the upper rails is 9 5/8 to 9 3/4 Hyper-strong XL Conversion Kit with axles is the only replacement for the 2 Large Frame Total Gym® style with a doughnut-shaped roller wheel that has a bearing that protrudes about 1/4 off the wheel on one side. Large frame style 3 Total gym® (about 3000xl, most XL, all XLS, & FIT) Note: THIS IS NOT XLi; XLi IS A SMALL TOTAL GYM FRAME! If your wheels look like this image and the dimension of the upper rails on the outside and outside is 9 5/8 inches, you have one of the following options: XL, XLS, 3000XL or FIT. We designed our upgraded replacement wheel with a simple rail contact profile to reduce stress in the wheel. If this is your wheel, click the link below to see parts of the model. This includes the following models: about 1100, 11000, 14000, 24000, 26000, GTS, Westbend Pro and other commercial total gyms. These usually resemble gyms on the right.
