Yumeta Company started airing anime on April 6, 2008. Anime introduces four new characters that did not appear in the game. The sequel to the first season of Anime has been announced by the creators of the No, Angelique series and games. The second era - first. The first season has been licensed in North America by Centai Filmworks and is distributed by Section23 films. The first season collection was released on 26th January 2010. [1] The second season of Neo Angelique ~ Abyss ~ was also picked up by Sentai and released on March 30, 2010. [2] The plot story takes place in a fictional world called Arcadia, where life-evacuation monsters called Thantos plague villages and the holy capital. Only those who have the power to take the carving of these creatures are purifiers, but only a few exist. One day, Angelique, who is just a possibly normal school attending girl, is visited by Nyx, a wealthy gentleman as well as a purifier, who has been an organization of Purifiers dedicated to Thanatos's destruction. Nyx is interested in the potential power she possesses and invites her to join her organization, but she refuses because she wants to be a doctor, like her father. However, when her school is later attacked by Thanatos, she ends up activating her powers in wanting to protect those in danger of her. After purifying the creature, he realizes that he has a unique pure power, and that he is what is foretold in legends, the egg of the queen. Her journey then begins and she becomes the only female purifier in the world. He then goes off to the Sunlit mansion, where another purifier, as well as researcher lives: Rayne. The characters voiced by Angelique (ジェリク, Anjeriku): Aya Endo Age: 16 Height: 166 cm A charming, compassionate girl. When she was a kid, her Thanos attacked and lost both his parents. It inspired and encouraged her to do anything to pursue her ambition to be a doctor when she grew up as she wants to help others and save lives. That's why he agreed to go with Nyx to fight Thanatos with other pure potential accompaniments as he felt, he would be able to save more lives than as a doctor. He has a modest and reserved personality, but he can also possess inner strength and be serious. It has always been her desire to help others as she, like her parents, always places others before herself. In the second season, she learns to use the sword. It was later revealed in the second season that in order to save Arcadia and Nyx she must sacrifice the life she has as a normal girl among her loving friends and become the prophetic queen, far away from protecting Arcadia. Voiced by Rayne (A.K.A., Rein): Hiroki Takahashi Age: 18 Height: 181 cm A smart, stylish boy. He is impulsive, but extremely competent and reliable. In the past he worked as a scientist and a professor, with his older brother Yorgo being an important member of the foundation. He also has feelings for Angeligue. Renne is known by Erenfried as that man (eno hito), as Arenfried has a special dislike for Renne, Erenfried has always been jealous of all the attention that Rayne got from Yorgo and other researches at the foundation when there was work. He gets annoyed whenever referred to as Professor Rayne, who does on Erenfried's purpose, and usually answers him simply by calling Eren. Rene later discovers that his ability to purify is not natural and is the result of self-experimentation. He fights the thanas with a gun. Voiced by Nyx (ニク, Nikusu): Toru Ohkawa Age: 26 Height: 179 cm He is a mysterious aristocrat and quite a gentleman. Instead of calling Angelique by her name, she often calls her mademoiselle. He likes playing piano and drinking tea. In Season 2 he is fully near Erebos and wants to help Angelique and others, but can't always control his condition. Inside her, her real self and Erebos live together. He has lived for 200 years due to Erebos. When he was younger, the ship was in his family and him got caught up in a fierce storm. As the Nex was sinking, he pleaded for his life, saying he would do anything. Erebos heard him, keeping him, but Nyx's parents drowned. That's why Nyx hates the fear and sound of the sea as it was when Erebos first possessed him. He uses the core that Erebos uses to send Thanos into the world. The only hope she had to get rid of Erebos was the Queen's egg, so she travelled around the world and found Angelique. When she becomes queen, Nyx wishes to give her a peaceful death. Nyx Angelique Victim Blames herself for, taking away her home and parents but Angelique says it was Erebos Did that and he was given Nyx one which gave him many precious things, including one place to relate. He fights Thanos with a whip. Jd (ジェ, Jado) voiced by: Masaya Onosaka Age: 20 Height: 195 cm Z (JD) is a jasper doll, a kind of artifact and biological weapon. He is referred to as a defective product by jet. The JD also said that he (jet) is his (like himself). The JD belonged to the foundation, but somehow managed to escape to a nearby forest after the lab crash. He was discovered by the Dragon tribe in the jungle and became the adoptive son of the tribe leader. Moss, a young boy, befriended him, and despite meeting him every day, he didn't show any emotions. One day, he took interest in sunflower, and from that day on, he smiled and began to show more emotion. After Kai's death, he embarked on a journey to give people a smile. Fearing being taken away by force, he avoided meeting the foundation as much as he could. He always wants to see angelic smile. He enjoys baking for others, often cookies or scones. He fights with a pair of tofa against Thanos but possesses melee skills as well. Voiced by Hyuuga (ヒウ, Hyúga: Daisuke Ono Age: 22 Height: 186 cm A former silver knight and also a Aube Hunter. He will protect Angelique with all his being, even in the exchange of his life. She refers to Angelique as Angelique as Angelique as Angelique as Angelique with all his being, even in the exchange of his life. She refers to Angelique with all his being, even in the exchange of his life. She refers to Angelique as Angelique as Angelique as Angelique with all his being, even in the exchange of his life. She refers to Angelique with all his being, even in the exchange of his life. She refers to Angelique with all his being, even in the exchange of his life. She refers to Angelique with all his being, even in the exchange of his life. season, Angelique gave her an order that in the future, she simply phoned her Angelique as she thought they were friends. Hyuuga has a hard time trying to say angelique's name without saying it in a formal form at the beginning. In Season 2, he suffers from sea sickness but eventually overcomes it. It is later revealed that he had left the Silver Knights after killing Carlyle. He runs the javelin in the fight against Thanos. Rene (木, Rune) voiced: Kappei Yamaguchi Age: 15 Height: 165 cm He lives in the holy city of Celestizam and is allowed to move freely within his walls, but he has forbidden to move out of the city. He often comments how he's a captive bird for Mathias, who is his mentor. His second appearance in anime is in episode 6, where he constantly saves Angelique from journalist Roche, who keeps trying to take pictures of the Queen's egg to get a scoop. He has been revealed to be the future and true leader of the religious system. He declares that he will unite his power with Angelique to help save the world of Arcadia. Voiced by Bernard: Daisuke Hirakawa Age: 29 Height: 182 cm A reporter who always writes the truth. Roche sells a lot of his photos to Bernard, because he's his tipster. He recognizes Angelique's defeat when he loses it after being kidnapped by the jet and Seems to be hiding. She was later revealed to be a son Angelique's relative whom she was with after her parents were killed. She left to go work in the media and never saw Angelique yet again. Angelique calls him Nii-San (Big Brother) after he discovers who he is. Mathias (マティ, Matiasu) voiced: Taiten Kusunoki Age: 28 Height: 180 cm is also known as Lord Mathias or Mathias-Sama, and he is the leader of the religious organization that supports the Knights of the Silver Tree. It turns out that he was a fake leader that was only elected to his extraordinary memory, because a new true leader was not born at the time that the last leader died. The organization is trying to kill him so that Rene can take the title, but in Episode 5 of Season 2, he kills the high elder. He maintains an artifact chip created by Erenfried on his neck to acquire powers. Due to the chip, half of mathias has its own, controlled by half a chip (hence by Thanos). He gets hit by Nyx/Nyx. Erenfried (エフリト, Elenfurito) voiced by: Miyu Irino Age: 14 Height: 163 cm He is a scientist that works in the foundation which bears deep disgust for Rayne, because he has always received all the attention. She gets angry or angry when Rayne just calls her Eren, telling the professor. Jet takes orders from Erenfried and director Yorgo, whose focus Erenfried always intends to get. Erenfried admires and is grateful to director Yorgo because he offered him a place as a researcher at the foundation and assigned funds for his project. In Season 2, when Yorgo is imprisoned (due to Erenfried's mistakes with the Jinx Project), he wants to save him. He somewhat befriends Angelique and company in Season 2, when J.D. saves him from the organization's prison, and stays with the group for a while. She also reveals that the artworks/Jasper dolls have hearts when JD saves her from prison. He also said he'll see Angeligue at the moment he's staring down at the jet in case body. Voiced by Jet (ジェット, Jetto): Yuichi Nakamura Age: 20 Height: 195 cm Like JD, he also has a desperate artifact created by the foundation in an attempt to create another artifact like J.D., after they lost him during the mysterious fire. The fact that both jet and JD artifacts makes them brothers. In Season 2, she takes orders from Mathias. However, Mathias leaves her as she failed to complete her mission of capturing Angelique, the Queen's Egg. Mathias tells him to go wherever he wants. Without a master and order to follow, he was lost and attempted to carry out the last order he was given (to capture Angelique), when he came in angelique and his friends. He and Jedi began fighting, but they left to see that it was troubling Angelique. He then showed where they were repairing the ship of stars and tells To deactivate him because he was starting emotions (mainly around Angelique) and he considered himself flawed. Erenfried refused because it meant the jet was developing a heart and told him to act according to his will from now on. So he helps repair the ship of stars, but in the morning of departure, he sacrificed his life to remove the bomb that Erebos planted in the ship. However, she seems to have been rescued by Erenfried in the final episode of Season 2 (she is seen in a capsule at the very end of being taken care of). Voiced by Roche (口, Roshu): Ryohei Kimura Age: 17 Height: 174 cm Roche is a respected journalist who loves money and women. He's never taken photos for them without receiving a payout, but in Episode 9, he sent photos he took of Angeligue — which he originally intended to sell to Bernard for money — to Angeligue himself. It was made out of kindness when she realized that Angeligue, like herself, was an orphan and she didn't feel she should sell her information to others. However, he did not regret making that decision and was a little confused and surprised at himself as he was the first time he had taken pictures of other people without charging for them. The secret date she went with Angelique wasn't a real date. She fled angelique Sally and Hannah after seeing Angelique on the streets because she was upset about her best friend refusing to accept the truth (the fact that wretched machines were destroying Thanatos). She called it a secret date, but really, she wanted to make Angeligue happy when she saw just how upset she was. She eventually develops romantic feelings towards Angeligue which she can't remember when she's attacked by him. He is shown throwing knives in his fight with Erebos/Nyx. Others Yorgo Rene's older brother. He is the director of the Artifact Foundation. Erenfrid desperately tried to save him by appealing to Mathias, but instead he is jailed. Yorgo is then rescued by Erenfried within moments of his execution. Erwin Angelique's pet cat, who took Angelique to an injured Rene and later jedi. She didn't like Nyx, hissing when she tried to pet him, showing that she felt the power of Erebos. He has a mysterious ability when Angelique's tears seem to touch his fur. It was revealed in the final episode of the series that Ervin was indeed a medium for collecting all the universal consciousness. Guided her journey to being one that Looked at Angeligue and becoming gueen and arriving in the Holy Land. Hannah and Sally Angeligue's friends, who appeared in only a few episodes. The Koju Dragon tribe is the elder of the village of JD's father, who found JD and claims him as his son. He's J.D.'s first friend; He was the first person to make a Jedi smile. He was often seen smiling and singing a song to others, bringing JD with him wherever he had been. He loved sunflowers and said he appeared to be smiling all the time. He died of an unknown plague. Rouki was the first person to congratulate Angeligue and Hyuuga when they arrived at dragon tribe village. She was a friend of Hyuuga Woss graves and told them about JD's past. Carlyle he was a friend of Hyuuga's when he was still with the Knights of the Silver Tree. He was born into a family of knights and trained from a young age. He was thought to earn a Holy Knight title, but Hyuuga got it instead. He died in the Tower of Dreamy Souls near Thunder Village because he inserted an artifact chip (similar to a Mathias) to get powers over his neck but couldn't control them. He went to Thanos and his soul left him while his body was paused on the tower near Thanos. His soul became a shining butterfly, following Hugha throughout the series. Angelique spotted the butterfly when she first met Hyuuga, chasing it into the woods where the former knight was. In Season 2, at the end of Episode 4, the butterfly disappears into the sky, meaning that her soul had ascended to heaven and she was now at peace. Dion is a member of the Knights of the Silver Tree and a longtime friend of Huuaga and Carlyle. Sedona is a tomboy girl that appears in the second season. During the visit, Angelique, The Jedi, Rene and Hugha met him. After the Hidamari mansion burned down, the group disappeared, and thanos numbers soared, the people of Arcadia began to blame everything on Angelique and Aube Hunters. While the group was passing through a village, looking for a place to rest, a group of men cornered Angelique after she wandered away, trying to kill her due to her recognizing her as the gueen's egg. Sedona to his ship (of which he is captain), where they live for a while. He's rather skilled with the sword and he taught Angeligue when he requested it. When they first met, Sedona Angeligue didn't want to tell her name when she asked, because they weren't friends, so she told him to just call him captain. When they parted, she gave Angeligue the fighting clothes and sword she'd lent to practice as her parting gift, and she told him she could call her Sedona, as they were no longer friends.
