Leaders care for and arm teachers with the tools they need for the success of students and teachers. In general, management is great and is concerned to help each child's needs be met. Pre-school teacher / Aide Bus in Idaho Falls, ID Personal; Rewards watching kids grow up I work with more teachers and love them all. Then it happened that I have a teacher who won't even let me touch his carpet or water his plants. That was the last straw. she was a young teacher full of you and very selfish. It all depends on you teaching and the principal plays a lot in your success. In my case, they weren't even on my side. Custodian of the night in Idaho Falls, ID Loc productive and fun work I worked 3:00 on the midnight shift. I cleaned up the school to be ready for the next day of school. I learned to make foam in a bathroom and a locker room. This is where you spray chemicals all over to disinfect and then use a hard water remover to remove hard water from sinks, toilets, shower cabins, and tile floor. My managers and colleagues and I were left alone very well. The hardest part of my job was the pace I've been holding all night. I had 10 hours of cleaning in less than eight hours. the best part of my job was working alone and doing a good job in my area. People asked two questions about working at District 91.
