Bye bye buggy

Bye Bye Buggy USA is an official distributor of commercial grade buggies and strollers for Angeles, the primary name in multi-child transport vehicles. There are several models to choose from, including the classic red Bye-Bye Buggy, the yellow Bye-Bye Bus, the modern RunAbout buggies, and the folding Bye-Bye strollers. All of these Angeles items are the industry standard for schools, day care, high schools and other child care organizations. Every model is made here in the US. You can order any vehicle right here through our website, in several different configurations. Call us today for free at 877-840-0707 for more information. Whether it's a field trip or a casual stroll through the facilities, the Bye-Bye Buggy and bye-Bye Stroller are the best choice for group mobility. They are manufactured and certified in accordance with ASTM International standards for multi-child vehicles of this type. If you're in the childcare business, you'll know Angeles products well – they're rock solid, brightly colored and comfortable for kids. They are also easy to direct, which is important for the adult who is doing navigation. We send Bye Bye Buggies and Strollers anywhere in the U.S. and abroad. For loading quotes to non-U.S. locations, please call us for free to get a quote on sending these items to you. We may send you by e-mail or fax. Buy a buggy today... or buy a fleet of 3 or more people and receive a discount for bulk shopping! For more information on bulk prices, please call us free of charge at 877-840-0707. Instead, we will add 15% to the total merchandise of these items for shipment, regardless of the total order. Boats Boats 3 Days returning products all products excluding Strollers If you want to return your purchase for any reason, send it back to us with the original packaging and we will be happy to refund or replace it. You must return an item within 14 days of your delivery in perfect condition with original packaging. We will be happy to return the original price of the item or send you a change. This does not affect your legal rights. If the goods are to be damaged or defective, please contact us on 01779 471871 or through our online contact form. We strongly advise that a receipt of the postal certificate be obtained upon returning the order. You are responsible for the item until we receive it in our warehouse. We regret that postage, packaging and insurance are direct expenses and cannot be refunded. Return strollers If you have changed your mind in the stroller you have received, larger items such as strollers and buggies will incur a handling charge to bring the item back into stock. Each manufacturer differs on the level of this charge, so please contact us for more information. You must return the stroller within 14 days of your delivery in perfect condition with original packaging. We will be happy to return the original price of the item or send you a change. This does not affect your legal rights. Problems with strollers / buggies If in the unlikely event you encounter a problem with a buggy/ buggy, please contact us immediately so we can assess whether a simple solution can rectify the problem. If that doesn't work, please call us to arrange to send the item back to us as we can often arrange a return pickup ourselves, or we can let you know the correct warehouse address to send the item back to. If you return a stroller you think it is defective and in inspection is defective, you will be refunded the shipping cost and receive a replacement product or a refund. If however, the returned item is in the inspection to be in perfect working condition, we will not cover the cost of shipping to the factory or get the product back to you. If you believe the stroller is defective, please contact us on 01779 471871 or through our online contact form. The Bye-Bye Buggy is everyone's favorite way to shoot!
