Eternal City is a real-time RPG battle, with many characters and different storylines to help you engage. This is guaranteed to bring you a unique and immersive experience! The history of the game takes place in a modern coastal city. One day in the city appeared the Black Gate and monsters of different sizes invaded the city. The whole city was covered in disorienting fog and all peaceful were immediately destroyed. During this time, it was discovered that some people who possessed special abilities and had the power to use mythological weapons. These people can not only kill these monsters, but they can destroy the Black Gate. These heroic heroes, called Welders, eventually gathered at central government to confront the Xenos world and fight for their fate! This is the moment the character you play enters the city. You, as the protagonist, possess a rare and special ability on which you are relied upon. Once you've learned more about the world, you've discovered that things aren't as simple as you ever thought. The threat is not just the Black Gate and the monsters calling. A seven-day countdown that controls the fate of the city is fast approaching... Many famous artists were invited to participate in the production of the game. Based on a self-developed Naturez engine and unique performance technology, 2.5-D anime previews will bring a unique experience to each player. The music of the game was created by the master Japanese musician - Mr. Kauai Kenji. He has created many original soundtracks for a diverse game within 'Eternal City'. In addition, dozens of famous Japanese resumes such as Hanazawa Khanna, Uchida Maaya and Kugimiya Rie have been involved in eradicating the game. The total duration of the duplication exceeds 10 hours. • CAMERA: Used in the Camera function, when players want to take pictures and use them as a portrait. • RECORD\_AUDIO: It is used in a global channel when players want to send some voice messagesA reflected problem that has occurred with some models of Sony headset • EXTERNAL\_STORAGE: This is used to preserve some of the game's resources Read more Google Duo: videogesreponses Van Hoge kwaliteit 121.0.351885474.DR121\_RC04 Google LLC Google Duo: High Quality 121.0.351885474.DR121\_RC04 Google LLC страница 2 FOLLOW ON Google Duo: Video Calls Video Calls 2 page 121.0.351885474.DR121\_RC04 of Google LLC 2 VOLGI ONS 3 VOLGI ONS page 4 VOLGI ONS page 5 VOLGI ONS page 6 VOLGI ONS page 7 VOLGI ONS page 8 VOLGI ONS Page 9 VOLGI ONS PAGE 10 VOLGI ONS Page 11 VOLGA ONS Page 12 VOLG ONS Page 13 VOLGI PAGE 14 VOLG ONS page 15 VOLG ONS page 16 VOLG ONS page 17 VOLG ONS page 18 VOLG ONS page 19 VOLG ONS page 20 VOLG ONS page 21 VOLG ONS The description of Eternal City Here we provide Eternal City 1.32.40 APK + OB file for Android 4.4+ and up. It can be said that these two entertainment industries develop in parallel with each other and create a reliable brand. The game of anime themes is extremely many, there are games that get ideas directly from available content, but some do not. The Eternal City is a brand new product, still in the process of pre-registration with content similar to the Anime series, but it is completely self-created by XD Global. You can see that the Eternal City is quite similar to the content of current favorite movies. Players will be taken to the world of heroes, where everyone has their own special abilities, and they fight to fight evil. The atmosphere of the game is located in a beautiful and romantic seaside town. The people here live in peace and happiness, one day it was destroyed by the Black Gate. It was a cosmic cleft that brought monsters from other worlds into the city. The fog covered everything and made it one of the darkest areas in the world. A real-time battle RPG, many heroes, heroes, Different plot Monsters appear, inevitably there will be heroes to fight them and indeed the weapons of the great given some power. They use them to fight monsters that spill out of the Black Gate and temporarily protect them. But the final challenge will be to destroy the ghostly door. People call these heroes with special abilities, Wilders. I can be called as a team at central government to rise up in the Xenos world and fight for their fate! But after the characters gathered and participated in several battles, they began to realize some strange things. Your fighting is not just about defeating monsters and destroying the Black Gate. A 7-day countdown event will be held and will make this world as impossible as before. As a hero, you will have to prevent this event from coming true. Eternal City will work in the style of battle RPG game in real time. This means that players will control many heroes and take part in exciting battles where they will face terrible monsters. The game is designed with a special 2.5D graphics, as the player will still control moving and combat heroes flexibly in a fixed card. Basically, it doesn't affect your game experience too much. Speaking of the system of heroes, the game will bring with one of the most charismatic armies. The characters you can summon will be divided according to their quality levels. The S-Class hero will be hidden inside. There are many things that are stronger than class C characters. Moreover, each character class will be differentiated from each other, thanks to the star system, the more stars, the stronger the star character. In addition, their strength is determined by special weapons. In general, just choose a hero who has enough power, and your weapons to use after your fighting style is fine.
