As you don't have to root your Android device, there won't be any risk of damaging your device. Perhaps when it comes to this strange name, many people will wonder what Pokémon GO is? Pokemon Go is a virtual interactive app on Android and iOS smartphones. Niantic is the game's developer and is expected to release it in July 2016. Pokémon GO is the most anticipated game of 2016. Just after its release, Pokemon Go has caused shock around the world. Popularity is not only due to unique gameplay but also thanks to differences in other games. In short, the game allows players to record, train and exchange virtual pokémon based on the real world. Although you can download this game for free, Pokémon GO sells items priced from \$0.99 to \$99.99. Alternatively, you can also use Pokémon GO Bracelet Plus. It is a device to support this game on the phone without unlocking the screen. The imaginative ring will call. If a pokemon near the show comes from Niantic -- a multimillion-dollar game company. Under the professionalism of augmented reality specialist Niantic Inc, the game brings a unique experience. StoryTo will give you a clearer view of this game, Pokemon Go software that uses virtual interaction technology. So when doing this game you should have a smart mobile device. Your phone should have a network connection (3G, 4G) and require clear GPS to check the location. The special thing is that virtual interaction technology applies to games for the first time. Instead of sitting in one place, you should go out, go to parks, schools, hospitals to ... Take Pokemon, surely this game will bring you an unprecedented experience. The game has a sketch based on the content of the Pokémon Go movie. The gameplay is very simple. Each player must move to the original location using the Poke ball track to find and hire Pokémon along the way. Players can easily attract Pokemon species in the game because they are so diverse. Any kind will live in unfamiliar areas. However, their position is also easily guessed. For example, a pokemon of the type of water will be near a river or sea. Players near the river and sea area meet them on their map with specific locations called milestones. Also, try searching on Google to know which is Pokemon's strongest. Just like in real life, when you go elsewhere, your map will expand. Newer milestones lead to an increase in the number of Pokémon you can catch. In particular, you can take your Pokémon to the gym and get medals. Pokemon Go game is easy. It just keeps you entertained, communicating with friends, and keeps you physically active. What's more interesting than going to new lands to explore, find, and conquer divine Pokemon? Here are some of the game's highlights: The game is enabled using the player's smartphone camera and GPS signal. The game will show you a wild Pokemon that fills the streets of the real world. Just walk around and you'll collect plenty of Pokemon.Pokebattle looks if you're active and touch them. With its agility, quickly catch up Pokemon when it has recently appeared. During the game, players increasingly upgrade their levels and quickly become Pokemon Masters. Are you a Daley Fan of Pokemon Time? You always want to experience the coach's feelings? Therefore, this is a program that can meet your demands. To collect new Pokemon, you must fight wild Pokémon to record them. Players must throw Pokéballs on the screen towards Pokémon. Be sure to act quickly when colored loops around and focus around them. It's easy to catch Pokémon with a green and yellow ring for the show's medium problem. One thing to know when playing smaller is the ring, the pitch is more concentrated. Pokemon can appear anywhere, but... One thing that you don't have to risk in the real world is to catch or fight Pokémon. They can appear in the most familiar places you didn't expect, for example your own home or the familiar park. But one thing is for sure, the real joy comes from going out and exploring around like the key character in Pokemon. You'll find distinct types of Pokémon lurking in the local park's lots, gardens, or famous historical sites. There are many players who think pairs of players' discoveries will become the most important thing to find rare types of Pokemon. To access Pokestops - Pokéman proxy for games - as soon as possible, this is necessary. These important items like Pokeball provide. Experts say that Pokemon Go's success comes from ideas and technological advances. It's great that Niantic can bring pokemon monsters into real life. They appear in familiar scenes in the player's daily life. Pokemon's story is associated with the childhood of many 8x, 9x. These are the big smartphone users in today's world. Interesting game and familiar graphic images all converge on Pokemon Go. In addition, the ability to interact between players has helped the irresistible attraction of this recent game. There are 2 ways to enter Pokémon Go. If you don't want to spend a lot of time, then logging in to your Google Account is the easiest way. Alternatively, you can also sign up for a Pokemon Coach Club account. This account will send you monthly newsletters and regularly send codes that help unlock some specific Pokémon characters. In Pokémon Go, you act as a coach. You can name your character after catching the first Pokémon with numbers and letters, but unfortunately you can change your character's name right on the app but you should send an email via the developer support website. In addition, you can also customize the character to your liking with skin color, hair color, clothing and accessories. But customization options are still few, yes. The game supports many items and tools to help you find, catch, train and upgrade your Pokémon. We can find them in the store or in some pokémon, some support items can be mentioned as: incense: hearing loss case, helping to attract Pokémon to its location in 30 minutes. Lucky eggs: Double experience points obtained in 30 minutes egg incubator: This is the case that helps collect Pokémon eggs during the game of eggs, but it requires you to walk a certain distance to the hatch. Module Deception: Also drop hearing tool that helps Pokémon collect to PokéStop in 30 minutes, other players near that PokéStop can also enjoy their deception module.Items can be purchased with PokéCoins (coins in the game), but to get PokéCoins, pay real money to buy it in the package. So, even if it's called a free game, pay if you want to Pokémon catcher. PokéStop is marked with a blue dot on the map. Click and you'll see pictures of buildings, monuments or parks popping up. Swipe these pictures and you'll see some items you can buy like PokéBall or Pokémon Eggs. use the Egg Incubator Tool and make it a new Pokémon for you to hatch. no way . The beta version of Pokémon Go only allows fighting in gyms. Many upgrades are through in-game items. You can buy a lot of items to boost your Pokémon. To upgrade Pokemon, you need to use special items. Experience points obtained by Wild Pokémon Combat, which is also a way to help you increase your training level. As a result, Pokemon Go isn't just a typical mobile game, and it's not another Pokemon game. Pokemon Go is a completely different beast compared to other types of games on the market today. It's like a king in his own world is it surprising to come across Gastly in an unfamiliar local park or in front of a statue that you've ever known? The joy of discovering the unknown Oddish around you is not always felt. There is a small secret of reality that is only in the palm of your hand, next to the rusty pepper at Tesco? Undeniably, Pokemon Go not only gives you an unprecedented method of playing today, it also helps you discover extra things. Wherever you first check on her, she hides with new secrets, and this unique program also helps you connect and get to know people around you. What could be better than unknown friends? The game has given users a glimpse into the vast future available to virtual reality models. Technology is growing more and more modern than ever. Always.
