Finn balor wife photo

It looks like Finn Balor has tied the knot with girlfriend Veronica Rodriguez in what was apparently a private wedding ceremony. The WWE Superstar took to Instagram this weekend to release a photo of herself and boyfriend Veronica Rodriguez in what appears to be a wedding ceremony. Balor and Rodriguez went public with their relationship a couple of months ago when Rodriguez interviewed Balor after the UAEF football final. As seen by the comments in the IG post (see below), many congratulate the two. Balor asked for time off from the WWE as the company headed into this year's WWE SummerSlam 2019 pay-per-view. As seen on the show, Balor would lose to The Fiend Bray Wyatt in the debut of Wyatt's new character at PPV in Toronto, Ontario, Canada. After the WWE SummerSlam 2019 PPV, Balor appeared on the post-PPV episode of RAW but has not been seen on WWE TV since, leading one to assume he is on his requested WWE hiatus, which he apparently took to tie the knot with Rodriguez. Check out the post from Find Balor's official Instagram page with the photo of the private wedding ceremony in the jungle below. #SethRollins & #BeckyLynch aren't the only 2 #WWE stars tying the knot.. #FinnBalor allegedly married #VeronicaRodriguez in a private wedding ceremony in the jungle ~!! FULL STORY W/ PHOTOS OF THE WEDDING CEREMONY HERE: ewrestlingcom pic.twitter.com/061VYbg3fl Former WWE Universal Champion Finn Balor has apparently confirmed his marriage to Fox Sports host Veronica Rodriguez. Balor posted the following photo on Instagram, which appears to show a private wedding ceremony taking place in the holy jungle on the Yucatán Peninsula, with the caption Welcome to the jungle #forevergang; Rodriguez also posted a picture of the same area with the caption w, and you know what begins with w? What's going on? Oh and also weddings. Putting the pieces together and assuming they are actually now officially married, our congratulations go out to Balor and Rodriguez. Balor was last seen in the WWE at SummerSlam where he was decimated by the debuting Fiend. He is said to have asked for a few months off after that, and after the appearance of it, he will spend at least a little of that time with his wife. The demon king officially has a queen now... as Finn Balor married his girlfriend. Balor made the announcement via Instagram sharing a photo of him and his bride Veronica Rodriguez, who is a Fox Sports reporter in Mexico. As we have previously reported, the 38-year-old requested time away from the WWE after SummerSlam back in July. We are told that he not only wanted to charge during the break, but also get married. Finn shared another photo over the weekend that appeared to be from the ceremony and captioned the photo Welcome to the jungle #forevergang Congratulations to the newlyweds! Finn Balor and Vero Rodriguez of Fox Sports Mexico were recently married. This was a very happy day, and now we have even more shots from the ceremony. It looks like Balor and Vero had a simple wedding, but it was still very nice. They also looked very happy. This marriage came just a few months after Balor drunk admitted that he and Vero are dating. His then-girlfriend said they've been together for a long time, but she still didn't get much of an interview out of her husband because he was pretty wasted at that football game. Congratulations to Finn and Vero from everyone here at Ringside News. Hopefully this is the start of a very happy life together. Finn Balor was last seen at SummerSlam, where he lost to The Fiend, and it seems he's taking some time away from the WWE - but Demon King spends his time well, by wedding fiancée Veronica Rodriguez.Balor shared an intimate snap of the couple in a jungle at the ceremony, using his hashtag forever once that he uses for photos of him with his girlfriend. Who is Finn Balor's wife? Finn Balor's wife is Veronica Rodriguez of Fox Sports Mexico. The couple revealed that they date back in May and got engaged over the summer, and the couple have now tied the knot in what looks like a very intimate and unique ceremony as the couple have apparently married in a jungle. Balor actually revealed that the couple were an item in an interview with his now-wife. While in the Champions League final, Rodriguez asked the former NXT champion who he thought would win by his beloved Spurs and Liverpool. Uh, I think the big question is, on everyone's lip is, have Finn Balor and Vero Rockstar [her social media handle] been actually dating for a long time? Is that true? Rodriguez replied: Is that true? Yes, for a long time actually. Before Balor continued:So it doesn't matter who wins tonight in the Champions League, I think I've already won in life. We, at Sportskeeda, offer our sincere congratulations to Finn Balor and Veronica Rodriguez, and we wish them all the best for marriage as husband and wife! Published 24 Aug 2019, 19:04 IST Finn Balor takes some time away from WWE. While he's gone, he gets a lot done, including getting married and overhauling his appearance. Finn Balor takes some time away from the WWE. While he's gone, he gets a lot done, including getting married and overhauling his appearance. If Balor took the time to update or start a new life as a married WWE Superstar, he hasn't wasted a second of the time he's been away since losing to The Fiend at SummerSlam. He has married his new bride Veronica Rodriguez, who is Fox Sports reporter in Mexico. He also posted pictures of a brand new look. One to happily tease WWE fans with comments and photos on social media, there is no way to know exactly what this new look is all about. Is this something he just does while he's away and in some kind of relaxation spot? Or does he tease the idea of a peaceful character returning to the WWE versus Balor everyone knew again? You can see the picture below in what appears to be a kind of monastery with a caption under his name in Chinese, which translates to hakone tour. What this means this can be nothing more than the Balor dressing section for a holiday trip as part of a honeymoon. Hakone Tour is a walk up Mt. Fuji's in the beautiful Hakone National Park. This tour is accompanied by a national government licensed English guide interpreter. Can it turn any creative ideas on Balor when he returns to the WWE? Speculation is that he is considering leaving the Demon King gimmick behind or joining the O.C. when he returns. A peace-loving monk can be an interesting twist that no one expects. If this is just Balor sharing photos of his time away, hopefully he enjoys the peace and quiet of a relaxing schedule away from the hustle and bustle of a busy WWE season.
