Here are some quick links to start exploring earth's information resources: If you are looking for some information and don't see it listed below on the quick link, feel free to contact your child's school or my office if you have any questions. Enjoy surfing our web and let us know if we can improve it in any way! To start surfing our web page, go to: www.rsu35.org General School and School District Office Contact Information School Contact Information, go to the Children's School tab at the top of our web page and click on it! Contact us Find the tab and click on it! Go to the top of the web page for district contact information, click #35 MSAD and click! For grade calendars, go to the rsu35 web page and click the Calendar tab. Click on your child's school tab and click the Calendar tab to see all scheduled events! The Athletic Department has a tab at the top of the web page. Click Athletics, and then click Schedule to see all scheduled events! For more information, go to the family lunch program and click on the School Lunch Program Family: For more information, go to the family tab, go to the Family Lunch Program: School Lunch Program and click on the School Lunch Program using the NutriKids system via the link to go to the Family Tab of my school bucks website. About Traffic To see the bus routes your child is assigned to, go to the Department tab and click Traffic. Follow the link to enter your child's information! General Information Emergency Procedures and Protocols ~ If the District needs to close or delay one or more schools for unforeseen emergencies, such as anticipated weather events or power outages, this memo provides families with the procedures and protocols that the District uses to make such decisions. To view or print this important memorandum, go to the Home tab of the website and click Emergency Procedures and Protocols. You'll find a lot of useful information under the Forms and Documents tab and the Family tab posted on each school tab! Each school customizes this useful information based on your child's age. Level. Here are some topics you can find when you go to our website, click on the School tab, and look under the Family Tab or forms and documents tabs: Student/Parent Handbook is an advanced absence form additional curriculum activity qualification procedure [MHS only] district employee directory school staff directory professor or grade level site infinite campus link on the district's website, On the District's website, on the Department tab you can find more information on the following topics: Special Services adult education services for homeless families as a second language service Special Education Services 2 Language Services 504 Talented and Talented Services Skills Plan on individual school sites You can find more departmental information: Career and Technical Center News and Information [MHS] Map Service Library Service Nurse Services Committee and Select for Budget Information Select board and budget information for the Board of Directors and Budget Information tab A: Board meeting and schedule board meeting minutes committee policy budget timeline live stream board meeting (and video archive) link to questions, concerns or complaints? The Board developed a policy titled Public Agenda and Complaints. You can find this policy by clicking on this link: Public Concerns and Complaints. I hope you enjoy surfing our web and let us know if we can improve it in any way! If you have any questions, comments or want to visit your school or district, please contact your school or office! We are excited to welcome you to the community and the schools in our district! Seriously, Mary Nash, Schools Doctoral Superintendent
