It's not about where you are, it's about who you are. See you, Amy. If your friendship meter and relationship meter with Amy are already maxed out, you can go straight back with the conversation in the paragraph below. If they're not, talk to Derek and tell himWhat's Amy's deal? She's kind of beautiful. Later Derek. Talk to Amy again, tell her That song you're playing reminds me of this Panic in the disco song... To be honest, they are good, but not my favorite. Talk to Amy again, tell her:What do you say we are looking for a more isolated area ... It has been nothing less than a total pleasure meeting! Lead the way! Achievement will be unlocked at this point. Congratulations! There is still more to enjoy though, if you want ... Amy's going to go up to Ashley's room. Now, depending on what you did before, Ashley could still be in the room, naked. If she is, Amy still won't want to go further with you, so you're going to have to wash Ashley's clothes and get her back to her for her to go. Alternatively, you could give it a soda full of laxates, which will also take it out. Just make sure you have an unlocked bathroom to hide in. When you're alone in amy's room, talk to her. The next interaction is a little broken (looking at you, devs), but tell him how about you and I have a bit of fun? Could you stand up for me please? Talk to her again, tell her and how about you and I have a bit of fun? Can I take a look at these breasts? Talk to her again, tell her and how about you and I have a bit of fun? Could you take your pants off for me? Talk to her again, tell her:Flavors, how about you and I have a little fun? Could I see what's underneath those panties? Talk to her again, tell her: So how about you and I have a bit of fun? Talk to her again, tell her:Flavors, how about you and I have a little fun? I can't wait any longer. I have to f**r you. If you want to change your position, talk to Amy. If someone comes in during your conversation with Amy, she'll tell you she wants to go somewhere more private. Just wait for whoever is in the room to leave, then continue. Once you're done, tell Amy!Alegra I could make a good first impression! A pop-up will tell you that the achievement has been unlocked.
