Showing all 11 mexico results, Overseas Haven Reports Mexico is one of the most expat-populated countries in the world, but few have heard of the Durango-sized, sophisticated city with great weather and high standard of living. Durango delivers the best of Mexico... real, genuine version outside resorts and expat havens. Despite the lack of recognition, you probably saw Durango on the TV screen without realizing it. More than 140 Hollywood films have been shot in this Sierra Madre destination, including Westerns that featured the likes of John Wayne, Clint Eastwood, and Kirk Douglas. In addition, it has clean, well maintained streets... amazing architecture more reminiscent of Europe than Spanish America... newly built pedestrian areas lined with cafes, shops and clubs... and a real estate market that offers stunning value for its value. Discover the charming city that Lee Harrison calls his most exciting personal find of the past few years in this overseas Haven report on Durango, Mexico. Mexico, Overseas Haven News Mazatlán offers the best beach lifestyle you can find in Mexico... maybe the best you can find anywhere. It boasts more than 10 miles of sandy beaches that vary from busy and energetic stretches conveniently close to the city to parts of the isolated coastline where you can get away from it all. The beaches are accessible and can be enjoyed from the wide new promenade, which is 8 km long. Best of all, both the beach and colonial lifestyle offer countless options for good food, quiet cafes, energetic and friendly bars... dynamic and active real estate market. You can go local... or not. Recreation area aside, Mazatlán is a real city of almost half a million people. You can choose to be part of the American and Canadian community, speak mostly English and facilitate your trip to Mazatlán, with the help of the people who came before you. Or you can live in an authentic Mexican environment, speak mostly Spanish, enjoy lower cost of living and immerse yourself in charming Mexican culture. If you liked it... all this at an easy distance from the States and Canada, then Mazatlán might be right for you. Packages, Getting Started, Mexico, North America Mexico is easy, familiar, diverse and affordable. Many of us want to have all the excitement, savings and benefits of living abroad... no complexity on how to get there. Mexico is fulfilling in all respects... There's no need to move on to find the life you dreamed of. Our unique news package is your first step into america's favorite expat destination.
