Students here make about an average year-over-year academic increase,.... More of these schools have below-average results in how well it serves disadvantaged students, and students perform about average on state tests. Students at this school make average academic progress from one class to the next compared to students at other schools in the state. Parental tip test scores at these schools are about the same as the state average, though still below high-performing schools in the state. Because test scores in some states are so low, many students at these schools may not perform at grade level. Parental tips Notice something missing or confusing? Disadvantaged students at these schools may lag behind other students in the state, and these schools may have significant achievement gaps. Parent tip Student outcomes based on percentile academic progress Low-income and underserved students All other students in the school environment
