Stock Image Sheena Gillespie, Robert Becker Published by Pearson Education (US), United States (2010) ISBN 10: 0205780377 ISBN 13: 9780205780372 New Paperback Quantity available: 10 Book Description Pearson Education (US), USA, 2010. Paperback. Condition: New. Eighth edition. Language: English. Brand new book. Designed to offer an eye-catching anthology in which there is a greater interest in connections between and between cultures, Across Cultures strives to promote understanding of different cultures among students. The book supports acceptance of the diversity of voices, suggesting ways to probe the correspondences, interrelationships, and mutual benefits of such diversity. The selections cover a wide variety of cultural facets. For example, readings in Work, the subject of Chapter 5, lead students to consider related topics such as affirmative action, immigration, cultural displacement, family narratives, and definitions of success. Throughout the text, students are encouraged to draw connections between and between readings through Match questions that accompany each selection, thus developing their critical thinking skills.
