Escape unturnov with a new game mode for The Unturned! Inspired by Escape from Tarkov, The Explanation of Game Mode: You can go to a raid alone or on a team to collect prey and perform tasks. Of course, you are not the only one who wants the best weapons, so fierce fighting is taking place in a war-torn part of Russia. You can keep your catches safe in the safe zone where you can trade with players and NVC's, Accept tasks and set up your own home.
