Based on a theme. Stage V1: 2-5 After completing Lisa's Casual Clothes (Maiden), she is unlocked. Each arena season lasts a week. This is the main source of starlight coins: crafts are used to buy recipes or color dyes. 3 times per loss and 5 times per victory. There's also a hierarchy that you can reach if you get more points on the pitch. Each win gives you points and each loss loses points. The amount you earn or lose is based on your opponent's points. Additions are earned based on stylist rating and rating. Stylist Grade [Edit | Edit Source] This is awarded according to your win. Each win earns you stars. There are a total of 5 grades and you need 5 stars in your current grade before unlocking the next grade. The higher your grades, the stronger your opponent tends to be. At the end of each season, you'll get diamond, gold and starlight coins based on your tier. You can lose points, but you won't drop the entire rank until the end of the arena season.
