If its an older game you are playing and you are using Windows 7 or Windows 8 it may not work if you right click on file .exe and choose Properties and then Compatibility you can change and run in Windows 98 / Windows 2000 etc. More information can be found on the Beginner's Help page here Dažas programmas Word funkcijas nevar parādīt pakalpojuma Google dokumenti un, ja veiksit izmaiņas, tās tiks atņemtasSkatīt detalizētu informāciju Note: This is only for reporting spam, advertising and problematic (harassment, fighting or rude posts). CD key for QUAKE 4 Hi guys, looking for cd key of the year 2005 Alien FPS game Quake 4 from id Software? And he didn't find anything or invalid keys? Don't worry, here's the key: 9TFP-TXCG-XFMM-XXR9-9DGT Happy? By the way, do not give the key if you are connected to the Internet. Go offline and enter the key. If the key asks after opening the game, just ignore those 'minus' signs after every 4 characters. So it would be like 9TFPTXCGXFMMXXR99DGT. Enjoy the game.
