All orders for dictionaries and e-readers in the UK are eligible for free delivery and handling. Page 2 Ordering from our site is easy and secure. If you are unable to access the page with the order form, please install SSL support on your browser. We accept all major credit cards (Visa, MC, AmEx, Discover). To ensure the security of your transactions, we are proud to partner with these programs: all orders are delivered by a courier service in 3 to 4 business days. All orders for dictionaries and e-readers in the UK are eligible for free delivery and handling. Examples: student, word, djak, rec, comput for all words starting with the calculated. The majority of terms are stored in singular form, masculine, and basic verb. Use table instead of tables, work instead of work. The dictionary is used to translate from English to Serbian and to translate from Serbian to English. Welcome to the Serbo-English dictionary. Please write word or phrase that you want to check in the text box on the left. add translationGlosbe is home to thousands of dictionaries. We provide not only Serbian-English dictionary, but dictionaries for all existing pairs of languages - online and for free. Visit our homepage to choose from the languages available. MemoryGlosbe dictionaries translations are unique. On Glosbe, you can check not only translations into the Serbian or English language: we also provide examples of usage, by showing dozens of examples of translated sentences containing translated phrase. This is called translation memory and is very useful for translators. One can see not only the translation of the word, but also how it behaves in the sentence. Our translation brief comes mainly from parallel corpuses that were made by humans. Such translated phrases are a very useful addition to dictionaries. StatisticsRually, we have 87,813 phrases translated. Currently we have 24,257,283 phrases translatecollaborationHelp help us create the largest dictionary Online. Simply log in and add a new translation. Glosbe is a collaborative project and everyone can add (and delete) translations. It makes our Serbian English dictionary real, as it is created by native speakers, which uses the language for everyday life. You can also be sure, that any error in the dictionary is repaired quickly, so you can rely on our data. If you find an error or if you are able to add new data: please do so. Thousands of people will be grateful for doing so. You should know that Glosbe does not store the word, but rather the idea of what the word means. Thanks to by adding a new translation, dozens of new translations are created! Help us develop Glosbe dictionaries and see how your knowledge helps people around the world. Links for certified translation agencies and translators. Specify your favorite domain: general translations, commercial translations, commercial translations, legal translations, technical translations, medical translations, scientific translations, software location, website location, other domains...
