Welcome to Dimensional Death, the final Fantasy XIV Free Company that is currently at Excalibur.Our free company is based around the spirit of collaboration. If you are kind, helpful, responsible, committed and able to take a joke or two, you are very welcome to join us! We're still looking for Raiders, but also casual players and artisans. Part of the fun is getting better, improving your level or equipment, and sometimes you need extra help to do so. That's what death means. That's nice, kind, kind. If you are interested in joining us, please contact any of the officers in the game (Ayasu Lemieux, Celedh Knight, Haldis Omholt, Slvr Stryker, Taber Tia or Laude Valiquette). If you're interested in raiding with us, use the Raiding Application link to the right of the bar. Even if you're not interested in a raid, we still love nice people, artisans for the apartment, or just people to chat at slower times.
