## Conroe isd calendar 2020-21

The CISD Academic Calendar for 2020-21 was designed to reflect the opening of the new CHS campus in August 2020 and the relocation of the Edge MS campus to their newly renovated home (old CHS campus) in January 2021. There is also a need to develop a calendar that meets the state requirements as well as our current educational needs. We are also doing our best to keep the traditional vacation valued by our students, families and staff. The proposed calendar and link to the feedback survey were posted on January 7, 2020 on the CISD website and shared with all parents via Blackboard, emailed to all employees via CISD and posted on social media. Parents, staff, students and community members were able to provide feedback until January 31, 2020. More than 900 people provided feedback on the proposed calendar, with almost 90% of respondents pointing to the proposed changes (short autumn break, not half a day and a normal school day on Monday, 5 April 2021) were acceptable to complete the school year before Memorial Day. In addition, since the school calendar for 2020-21 does not contain any bad weather days until Memorial Day, in case we have to close the school for inclement weather, 72% of respondents would like to add minutes to the school day rather than attend school on June 1 and 2, 2021. Please note: CISD planned for the 2020-21 school calendar is unique in order to accommodate the opening of the new CHS campus and the mid-year move to high school. Most of the changes you see in the 2020-21 calendar should not be needed after next year. However, it is important to keep in mind each year is unique and the school calendar is designed based on feedback surveys, district curriculum needs, peer district and university calendars, and requirements from the state. The school calendar for 2020-21 was approved by the CISD Board of Trustees on Monday, February 24, 2020. Calendar C1: School start date Wednesday, August 11, 2021. Calendar E: Start date Of school Tuesday, August 17, 2021. Calendar C1: Full week of rest for Thanksgiving break. Calendar E: Wednesday, Thursday and Friday for Thanksgiving break. Calendar C1: Inclement weather day on Friday, February 18. Calendar E: No inclement weather day in February. Calendar C1: April holiday includes Friday, April 2, and Monday, April 5. Calendar E: April holiday Friday, April 2, only.
