He quickly traced the source of the problem to the source of the problem to the source of the power plant was furious at Volkner for his selfish behavior, but his he was interrupted by a phone call from Byron, asking Volkner to come and help Platinum, Maylene and Candice train on Spring Path after his defeat to Galactic Team Jupiter at Lake Acuity. In the TCG the following is a list of cards that mention or present Sunyshore City Gym in the Pokémon Commercial Card Game. From Bulbapedia, the communitydriven Pokémon encyclopedia. Volkner is the leader of sunyshore City's gym, officially known as the Sunyshore Gymnasium. He hands over the Lighthouse Badge to the Trainers who defeat him will receive the Lighthouse Badge, TM57 (Load Beam), and will be able to use Cascade out of battle. In addition, all Pokémon, regardless of level, will obey them. Volkner is Flint's friend, and had become depressed and depressed because no worthy challenging the Elite Four and spent all his time renovating the Gym's electrical equipment, which put a strain on sunyshore's power supply and caused rolling blackouts, which the player experiences when he first arrived at Sunyshore. Apparently, Volkner, who agrees to wait to challenge the Elite Four until after he fights the new challenger. In Pokémon Platinum, Volkner and Flint appear at the entrance to the Battle Frontier and have a Double Battle against the player and the player. Volkner can be fought later, like the other leaders of the Sinnoh gym, on the battlefield. In Pokémon Black and White, when Shauntal is battled a second time, he will occasionally quote a book he wrote that says, You know Thunderbolt?, it was his first greeting to me. It wasn't until after we were joined that I knew his name was Volkner. Also fight the player in Pokémon Diamond and Pearl Volkner uses three of these Pokémon in Single Battles, four in Double and Rotation Battles, and all six in Triple Battles. He will always direct with his signature Pokémon, Electivire. Sinnoh Leaders Tournament Main article: Volkner (Masters) Artwork Conceptual artworks from Pokémon the Series: Diamond and Pearl Sprites Quotes In the anime In the main series Volkner grew up fighting gangs and pokémon poachers on the streets of Sunyshore City. He met Flint and decided to challenge him to a battle, though he lost the match. Volkner challenged sometime later and won, thus igniting an intense rivalry. The two later became friends after fighting the Owner in a Couples Battle. When Flint turned 20 Sunyshore to follow his own journey, and eventually became a member of the Sinnoh Elite Four, while Volker assumed the role of Sunyshore to follow his own journey, and eventually became a member of the Sinnoh Elite Four, while Volker assumed the role of Sunyshore City Gym Leader. After becoming the Gym Leader, Volkner became more interested in technology and distanced himself from fighting. The obsession led him to design Sunyshore's automated walkways, solar panel installation and the city's famous Sunyshore's automated walkways, solar panel installation and the city's famous Volkner a shock. In Fighting Ire with Fire!, Paul also noted that something was wrong with the Sunyshore Gym, calling it angrily illegitimate. At Flint Sparks the Fire!, when Ash arrived at Sunyshore Gym, he was surprised that Volkner had installed a machine at the entrance that was simply giving away free beacon badges to trainers. Ash was determined to have a real gym battle so he started knocking on the door, only to be taken off the property for his robotic safety. Flint noticed this and accompanied Ash and his friends to Volkner's location in Sunyshore Tower. Ash asked for a battle of Volkner, but refused and declared that he was bored. Later, Volkner entered the Owner's café and quickly began arguing with Flint. The Owner then suggested that Flint fight Ash instead, and asked Volkner to watch the match. After witnessing Ash's battle with Flint, he became interested in fighting again and decided to accept Ash's challenge for a gym battle. Young Volkner with his Pikachu in sunyshore! land tower, Volkner and Ash began their battle in the gym. However, it was guickly interrupted when Team Rocket stole sunyshore Tower, causing a city-wide blackout. After Ash defeated Team Rocket with the help of his newly evolved Torterra, Volkner toid Ash that he had to repair them before they could have a rematch. Ash agreed to the terms and said he would use overtime for more training. In The Eighth Wonder of the Sinnoh World!, Ash returned to Sunyshore to be the first to challenge Volkner since Team Rocket stole sunyshore Tower. Infernape was able to take control of his Skill, and by using the powers he won, he won the match. This earned him the Ash the Beacon Badge, which allowed him to enter the Sinnoh League. Volkner made a cameo appearance in the final credits of Zoroark: Master of Illusions. The Volkner character is famous for being and nicknamed the Sunyshore Shocking Star because of his enthusiasm and technique in battle. Use offensive moves as a defensive strategy to counter an opponent's efforts. Opponent. aims to attack your opponent's Pokémon at close range to ensure the most damage. He is regarded as bright and intelligent, although he is prone to obsessing over his interests and tire of them when things become predictable. However, after becoming the leader of the Sunyshore gym and experiencing numerous weak challengers, Volkner completely lost any interest in fighting. In addition, Volkner became completely distant and somewhat cold, always having an empty look on his face, and always speaking in a dull tone. His distance even went as far as dull to tell Flint to beat him if he felt as if he were threatened by the former, and Volkner's disinterest seemed to have spread to his friends, as Volkner seemed to have earned some level of resentment towards Flint, once he sarcastically referred to him as Mr. Elite Four, possibly by the fact that Flint became able to travel while Volkner remained in Sunyshore City, surrounded by weak challengers. After witnessing Ash put himself in danger to protect his Pikachu, Volkner appeared to have finally emerged from his disinterest, while Ash's actions reminded him of his own protective actions in his childhood regarding his Pikachu, and to see Ash's determination, as well as to hear the Owner's speech on Volkner rekindle his fighting spirit. Volkner also returned to his formerly cheerful and confident self. Since Ash's challenge in The Eighth Wonder of the Sinnoh World!, Flint reported that news of Volkner's return to the fight spread rapidly throughout the region, as countless potential hopefuls were queuing up to go against him, though Volkner declined all of them, keeping his promise to have his first official return match against Ash. He has deep respect and immense feelings for his hometown of Sunyshore. His technology projects and enormous construction efforts were designed to highlight Sunyshore's best assets and separate him from his history of criminal and dirty gangs. In the manga Pokémon Adventures Volkner and his Electivire with Candice, Maylene and Platinum, Candice and Maylene demand that Byron send someone strong to train them. Because Byron is busy with the protection of Professor Rowan and Mr. Berlitz briefly considers sending Roark, but realizes that Roark won't be strong enough and tries to call Volkner instead. The call initially doesn't happen because Sunyshore City is in the middle of a blackout caused by volkner's gym renovations. Volkner, depressed because Pokémon battles have become boring as a result of few strong opponents challenging him, decides to leave the gym when Byron's call arrives. When Volkner meets Platinum and the two gym leaders, he initially confuses Platinum as another leader of the which indicates that he is quite distant from his colleagues. He attacks them and leaves immediately, as none of them seem strong enough to interest him. The sincere dedication of platinum to impress you and inform you of Jupiter's skill Volkner enough to send her Electivire to fight her. He then promises that if she defeats him, he will grant him the Beacon Badge. Eventually, the girl succeeds, and he gives it to her. She also gives Maylene a Pachirisu so she can give it to Platinum as they go into battle against Galactic Team on the Spear Pillar. While the other gym leaders fight the Galactic Team on the Spear Pillar, Volkner ignores his calls for help and prepares to return home. Before he can leave, Volkner calls his friend Flint to help him investigate. The platinum chapter El and Flint are seen researching the strange phenomenon when Flint receives a call from Buck. Later, Volkner and Flint witness Platinum and his friends traveling to the World of Distortion. Volkner mocks Flint for caring that his younger brother has been wounded, though Flint denies it and intends to defeat the person who beat Buck. Later, they arrive in the spring of Sendoff, and enter the world of distortion through the back cave. Upon arrival, they are attacked by Giratina and are chased around the World of Distortion by her. Despite a powerful combined attack they used, Giratina to fight the other legendary Pokémon in the area. After Charon is defeated, Giratina attempts to attack Platinum, only for Flint and Volkner to attack him from behind and defeat him. He used it in his battle against Platinum, where he fought his Rapidash and despite his extremely powerful Thunder Punch, he could not defeat him unlike Jupiter's Tangrowth, which was able to defeat him easily. Later, he fought La Giratina in the World of Distortion only to be defeated. He later fought Giratina again, this time managing to defeat her. Electivire's known moves are Thunder Punch and Discharge, and his ability is Motor Drive. Debut Shorting Choose Volkner in Pokémon Diamond and Pearl Adventure! Volkner makes a brief appearance in Gathering of the Legendary Pokémon !. He saw hareta's battle with Koya in the audience. In the TCG This list is of cards that mention or present Volkner volkner is やきび れさせ. Volkner and Jasmine have many similarities: The cities in which they both reside, Olivine City, are close to the sea and have lighthouse when the player finds them for the first time. Something prevents Jasmine and Volkner from hireing the player at first: Jasmine's Ampharos is sick, so the player has to get the Secret Potion to cure her, and there is a power outage in Sunyshore City in Pokémon Diamond, Pearl and Platinum. All Volkner Diamond and Pearl Pokémon belong to species that have gender differences. In Diamond and Pearl, two of Volkner's four Pokémon, Ambipom and Octillery, are not of their specialty type, although each knows an electric type movement (Shock Wave and Charge Beam respectively). This changed in Platinum, when they were replaced by Jolteon and Electivire. Volkner's Electivire is the only Pokémon of a Gym Leader who uses Stamps in Pokémon Platinum. It is used in the Battle of the Four Elites to have Seals. Volkner is the only Pokémon of a member of the Four Elites to have Seals. Volkner is the only Pokémon with more than one type in Diamond and Pearl. He also does not use any Pokémon with more than one type in the initial battle in Platinum, but uses a Lanturn in post-game rematches on the battlefield. Volkner got bored with weak trainers and few challengers can also be seen in Drake, the Supreme Leader of the Orange League Gymnasium, who had the same feeling, except drake was not only letting the challengers take the Winner's Trophy without a fight. In the anime, Volkner was to be the only Sinnoh Gym Leader Ash fought his group uses in the Platinum game. In the anime, Volkner was the only eighth leader of the gym Ash struggled to have all his Pokémon fully evolved.
