Unknown No Publisher comments: Microsoft Game Studios | Developer: Lionhead Studios | Genres: RPG actions, sandboxes, live simulations| Platform: PC | Size:7.55 GB | Link: Home, GameSpot, IGNRelease NFO & Install Notes: HereDescription:she fables of Fable continues to be told with this third series entry - a revolution for a series that empowers you over your character and surroundings like never before. In this new adventure, players will witness tyranny, poverty and injustice hit their ground. They will see people divided, and they will be forced to stand up for change. They will also be forced to answer the question: What would you sacrifice to get the Albion crown? Will you uphold the values and principles that lead to your asylum, or will you be damaged by the station you have sought to acquire? Will you be the king of the people, or bring the whole Albion into the brink of collapse? Screenshot feature:Be your own heroes and surges of destiny. Storytelling comes to life as Fable III puts you and your hero in the middle of an epic journey that traces your resurgence from revolutionary to government and beyond, along with all the action, drama and humor. Interacting with the albion world has never been easier or more rewarding. The Expression System offers a clever new Dynamic Touch feature that allows your heroes to reach out and embrace loved ones, or accurate retribution of those who have betrayed you. Your hero, your loyal canine companion and even your weapon now also evolve to extremes reflect your morality and personal style of battle. Emotional connection players will thrive in the world of Fable III will lead to some of the most unforgettable moments ever experienced in the game. Where blockbuster action meets adventure. Your journey encompasses thriving and industrial albion streets to the surrounding battlefields. The pioneering one-button combat system allows players to easily combine different styles in their arsenal - hand-to-hand melee attacks, shooting long-distance precision and evil disaster spells - to advance a one-button combat mechanic to a full scale, a thrilling level that offers insane ways of engaging themselves, experiments and competing PASANG NOT1. This latest installment returns to the continent of Albion, which now enters its industrial age, and is now under the rule of King Logan tyrant who is also the player's eldest brother. The character of the player, Prince or Princess, was forced to lead the revolution against King Logan, who became untidy since succeeding to the throne following the death of the former king, Hero of Fable 2. As the youngest of Heroes, the game is divided into

two different parts. The first part of an ally assembly overthen King Logan and assemble the player's character as Albion's new ruler. The second part focuses on governing the government; heroes must decide how to administer Albion, while making preparations for supernatural threat from faraway Aurora.
