Secret banner week 8 loading screen 2

Eight weekly challenges for Fortnite: Battle Royale are now available. Players can choose from seven new challenges that can earn battle stars, advance to the Battle Pass, and unlock the Ruins skin from Discovery Challenges. Some players will also be able to receive a new profile banner for their account. Those who complete all eight weeks of challenges will unlock an exclusive loading screen that hides the location of a secret item on Fortnite Island, most likely banner. Only players who have a Premium Battle Pass and complete eight full sets of weekly challenges can see this banner. Just finishing the eighth week is not enough. Once you've done that, every Fortnite: Battle Royale mode except playground lets you see this banner, interact with it, and share it in your locker.
