Wolf gang puck steamer

Wolf Pick 3-class fast food stimer is a plastic electric food and rice stimer with stainless steel tre for the bisto small and large families. It is available in red, black and white. It immediately starts steaming and prepares for a different type of food. Wolf Pick Electric 3-degree high speed food stimer features 3 degrees of food stimer. Portable levels. Plastic construction with stainless steel tre. Prepares a variety of foods. The stimer includes: housing, 3 degrees, 3 stainless steel basket satore sai, drop-tera, rice-tare (bowl), water tank, hook, filter and manual with recipes. Complete cooking temperature in less than 60 seconds 1400 V. Wolf Pick 3-level high speed food stimer review Unlike other plastic crafts, this Wolf Pick is 3-class fast dining stimer that has stainless steel basket tre that contacts the food. The stimer allows you to see the water level in the reservoir and the water level is dialed up window. Water container stimers can be picked up. Since cooks has the food space in the bottom-bottom edit with the time to cook, then fish, first chicken near the base, then add the other two degrees if needed. Upper levels with vegetables or vegetables can be easily removed without obstructing the steam process. check price + \$89.98 additional.
