Cahoots restaurant in middlesex nj

Cahoot has been a business for over 25 years and if you ask anyone who visited us they will definitely tell you it was one of the best meals they have ever had! We've talked about our steaks and burgers before, but our proudest titles came when we were voted Best of the Best Burgers on Courier News 7/21/07 and again 6/18/08! We are 100% committed to accommodate you, your family and guests. Along with a full dining room and bar tables, we also have a large U-shaped bar equipped with 7 inset TVs and 3 new wide/flat screens located in the middle! Ideal for any sports fan! Our décor and atmosphere is as welcoming as our staff. Lighting candles and arranging tables creates a sense of intimacy without sacrificing our family-friendly attitude. We also have a Raw Bar that is constantly filled with the freshest iced oysters, clams and large shrimp along with the Peanut Bar located at the entrance. Contact your business directly to check opening hours and availability. We needed a place to eat, others were closed, we followed the GPS and found it. From the outside, it looks like pulp fiction. Small building, windows covered, old sign, not really pleasant, no people in the streets, no cars, all the desert, imagination of what could be inside. We open the door and see a very nice bar, cozy tables around it, all decorated with wood, with the theme of the restaurant is fishing and... John wayne, that's it. Anyway we were hungry and the typical American fare (burgers, salad, fried jalapeños, octopus etc) came quickly, it was good and affordable. Would have liked this place if they come back in the area again. Oh, of course, the staff were very nice and welcoming and the other guests inside also had a good time. It seems to me that wherever I have ever been, a chef and an assistant, or one who is involved in cooking food, should have and change gloves. This is unheard of in this establishment..... no gloves of any kind, in operation. Sitting there and watching... chef, handling fish, meat, etc. with his bare hands as he sat down his nose, ass... and touched everything on the spot, then prepared food.... Ugh! Don't order food! Where's the health board? Disgusting and will never go there again. More Open0.10 hours tell me that this business is your business? Claim now to update immediately information and menu! Menu!
