A picture is a visual representation of an actual item. The manual has some light wear and very good condition. The cover, pages and spine are intact and in very good condition. See all 4 pre-owned lists Start reviewing your FINAL FANTASY X official strategy guide This guide helped me do every thing in this game except kimahri ultimate weapon scare. This book does not help colorblind folk with separated red and blue butterflies on a purple background. This guide helped me do every thing in this game except get Kimahri the ultimate weapon. This book does not help colorblind folk with separated red and blue butterflies on a purple background. ... more so, I technically read it for all the good and useful information. that's more a link now. Yes, I technically read it for all good and useful information. that's more a link now. ... more love this strategy guide. I don't think I've ever got through some side quest without it. ... more great guide! He helped me for everything I wanted or needed to do in the game! I love that it tells you where all the primers are too! And how to get through some of the fears of mini-games! Some say that some things should be obvious, but a lot of people don't think of things like using reflection on Seymour (or even consider that yuna with reflection to that point). I enjoyed this guide however! Great guide! He helped me for everything I wanted or needed to do in the game! I love that it tells you where all the primers are too! And how to get through some of the fears of mini-games! Some say that some things should be obvious, but a lot of people don't think of things like using reflection on Seymour (or even consider that yuna with reflection to that point). I enjoyed this guide however! ... more so ridiculously useful!!!! I have so many interesting things and abilities thanks to this book!!! 1 -D I remember seeing this book back in gamestop. Told the list of monsters. It didn't help that much, but it's a strategy guide. Not too bad. I remember seeing this book back in gamestop. Told the list of monsters. It didn't help that much, but it is a strategy manager. Not too bad. the more we still have.. most pages. The most comprehensive guide ever made of piggyback does not leave a stone that would be intact by exploring each of each from epic Final Fantasy® X. These 228 colored pages are packed with exclusive works of art, high-resolution screenshots, details, statistics, maps and more. Features Detailed Secrets of Final Fantasy® X - with exclusive information from game developers Complete the game system with all the hidden fighting capabilities of in-depth Sphere Grid and more: we cover all aspects of your character creation detailed area maps, Showing all the objects you need to find detailed mini-game tactics: blitzball has made an easy full step-by-step guide, as you might expect from piggyback all inclusive information and stats on monsters, guns, objects and abilities reviews Well - Final Fantasy X is one great game and the universe is huge. This game has the best of the best and piggyback is the ones that deliver the first quality guide with beatifully presented pictures in class, a wonderful walkthrough that tells everything, the spells of things and Rikku's mix list, and don't forget all the hidden and secret spira aspects. It also talks about all the monsters and the strategy of sending them to Final Fantasy. In general, a great book at a good price! Amazon Customer Review, 27/02/2004 This guide has something the Final Fantasy player wants and needs. They've got a depth step-by-step guide with useful maps that show where all that exclusive treasure is. There are huge bestiary containing all the monsters with there statistics on what you can steal from them etc. in the Secrets section are weapons, hidden bosses and training area monsters. There is a complete list of items/weapons. And much more. If you have this game, you should get this guide, you can not get any other as detailed as this. Amazon Customer Review, 22/08/2002 This is easily the most comprehensive guide available on FFX, covering every aspect of the game with maps, descriptions, explanations on how to win every boss battle, FAB. Blitz strategies as well. Detailed explanations of every game secret: Hidden Aeons - Anima & Yojimbo - The Dark Aeon locations and how to defeat them - Penance (1m x Harder end bass). All completely colored and divided into sections that make it reader friendly, have FFX fans. I just hope that the FFX-2 guide lives up to the hats at piggyback.
