A true story of liberation from evilThis is a true story. No imagination, fabrication or exaggeration. The events in this book happened exactly as I describe them. Over four winter nights in December 2002, the devil came to me. Four Nights with the Devil is not primarily a story of evil. It's a story of triumph over evil. A dramatic account of an ordinary man's journey to the supernatural, after experimenting with the occult. It is a powerful testimony of the spirit realm and the invisible forces of good and evil; touched by darkness and saved by light. Peter Hockley was born in Oxford, England and grew up in a household without religion. Dissatisfied with life and unable to find lasting happiness in the world around him, his emptiness led him to search for spiritual meaning. At the age of twenty-one, an experiment with the occult awakened Peter to the reality of the supernatural - both good and evil. The events that followed are described in his book, Four Nights with the Devil. Today, Peter is a speaker, author and youth mentor. He has shared his engaging story in speaking engagements in the UK and on numerous TV, radio and online platforms, reaching audiences around the world. Top Reviews Most recent Top reviews Most recent Top reviews Top reviews Top reviews Most recent Top reviews Hear the testimony of Peter Hockley who grew up in a household without religion. Dissatisfied with life and unable to find lasting happiness in the world around him, his emptiness led to a search for spiritual meaning. At the age of twenty-one, Peter wanders through the religion section of the local bookstore, looking for answers. A book stands out among all others: An author who claims his written messages to the mind world are answered by an invisible entity that takes control of his body and mind; an entity that calls itself God. If you read the whole book in one night, the young man is captivated by every word. There's only one question left: How can he know the truth? With pen and paper, the man writes his own letter and is amazed when God responds. Watch the video to hear this amazing testimony of God's triumph over evil You'll learn more about Peter and buy his book on the event of ReseÅ±as mÃ¡s importantes MÃ¡s recientes ReseÅ±as mÃ¡s importantes Hay 0 reseÃ±as y 0 valoraciones de EspaÃ±a The interesting adjectives category is composed of words that can capture the public's attention and make your writing or speech more creative.
