She puts me at ease with every communication as an electronic device or by phone. She is orderly and makes the wedding planning process smooth. Employees at Pradera show exemplary customer service. We feel like our tasting dynasty, and the wedding day is no exception. The ceremonial lawn is a beautiful backdrop for our wedding ceremony and our guests are thoroughly impressed with the venue as a whole. The staff took my new husband and I to the amazing vantage point at one of the tees and we could hardly wait for the picture to come back because the view was incredible. Hands down, we recommend Pradera to any couple, we are excited about everything! Thank you very much, Pradera staff!
