It was released in 2012, the next big adventure of SpongeBob Gameplay is an open world game centered on the quest. This quest feeds Gary as the first quest in the game, SpongeBob must observe Gary's bowl of food and then try to leave his house, which makes Gary appear. Then he could collect snail food and feed Gary who gave him a map and allowed him to visit Krusty Krab without gas, not to go inside Krusty Krab, Mr. Krabs informed Sponge SpongeBob that the gas pipes in the kitchen were disconnected. Getting into the kitchen begins a hidden object game in which players will have to find various pipes. In the kitchen Once all the pipes are found, the quest is complete. The missing device, Patrick can be found outside Krusty Krab, and he has lost his four jellyfish tools: a mesh bottle, his shirt and glasses. Nets can be found on Conch Street to the far right. Glasses can be obtained by talking to Squidward, running the cashier, then returning to him. The jar was obtained by Mr. Stains after paying him \$10, found a jellyfish shirt outside the junction. Once all the equipment is found and return to Patrick, the quest is complete. Jelly fishing! This quest begins with a chat with Patrick at Jellyfish Field, SpongeBob must play a mini-jellyfish game and complete quests. This frozen friend quest can begin by talking to Incidental 73 at Krusty Krab and unlocking the frozen tundra location. This begins the platform section where SpongeBob has to find his friend and chisel out of the ice block. At the end, he fights with snow clams, and Patrick throws jelly beans that can be launched. When the snow clams are defeated, the quest is complete, Karen. At Chumbak, Karen promises to tell SpongeBob a secret if he can beat her at three games of pong. Each game lasts until one player gets seven points. Sandy surprises at Krusty Krab, SpongeBob meets Sandy, who has a surprise for him, where her treedome SpongeBob must get his water helmet, which is located at his house; Patrick is stuck in it and needs jellyfish to get out, which is found in a jellyfish field. When Patrick was free, SpongeBob received a helmet, Sandy's letter after arriving at the treedome of Sandy Sandy told SpongeBob that his surprise was in the tree because the postman was chased by a worm, spongebob guards had to climb the tree and collect letters in a tree climbing mini-game. When he loses a mini-game, the character appears on the ground, SpongeBob has to pick it up and give it to Sandy, who reveals that it has a ticket to the glove universe.
