Now, the internet is no longer just a medium for communication, it's much more than that - it's a fast-growing culture that promises to dominate most other cultural identities. Even in India, the Internet shapes the personalities of many among us - communicating, working, playing games, watching movies, listening to music, bank, shopping and more just online. These days we spend more time with our laptops than probably with anything else. It is our lifestyle that demands; Still, we love watching those exciting shows on Star Plus, Zee TV, Sony and Colors. A lot of people complain: My life is so hectic, I don't have time to watch our favouit shows on television or anything like that anymore. Really, it doesn't have to be that way. We brought everything to your desktop, so now you can watch your favorite series online. Just take a break grab a cup of coffee and quickly watch your favorite Indian series online. Or, better yet, play your favorite episode while traveling to the office - and make your journey through heavy city traffic a little more bearable. To watch the latest series online all you need is a computer and a good broadband Internet connection, and the rest is a cakewalk! Launched by Viacom 18, the Colors TV channel was launched in 2008 and within a year of launch became a top TV channel. This was due to new genre TV series such as Balika Vadhu, Laado, etc. Shakti – Astitva ke Ehsaas Ki is a family drama series with different angles. We exhibit desi serial channels broadcast online. Desi TV Serial loved by Hindi people all over the world. Watch them here. Colors TV is one of the recent Indian television channels that became famous among viewers and quickly began to give competition to its rival channels. At the launch, the channel attracted attention for its socially themed TV dramas. The most famous drama presented by the channel was Balika Vadhu – which lasted for years before going out due to falling ratings. In addition to social dramas, the channel also broadcasts family, horror, comedy dramas. Colors TV is also known for reality shows such as Bigg Boss, Khatron Ke Khiladi. Bigg Boss, an adaptation from the foreign series Big Brother that locks celebrities into a shared house for months, comes to a new season every year and is mostly known for controversy. All contestants who enter the show generally leave with the more popular because of the popularity of the show. Colors TV is also known for its drama series, Naagin. From premiere to end, the drama retained its top spot on the ratings charts. Other hits of all time include Sasural Simar Ka - the story of the ideal daughter-in-law, India's Got Talent - from foreign series, Swaragini – the story of two sisters. Colors TV also came up with a celebrity chat show in a comical way, Comedy Nights With Kapil, which became famous among viewers very quickly. However, the series shut down amid controversy and eventually ended with her going to a rival Colors channel. Channel.
