March 4, 2017 by Income Tax Pro 2016 Form 1040 Instructions PDF file published by the IRS 2016 Form 1040 Printable PDF Files: The IRS updated and published the printable 2016 Form 1040 Instructions Booklet and Tax Table. Each income tax filing season the IRS typically publishes the 1040 form and 1040 instructions booklet in the month of December. Last year, the 1040-statement booklet was postponed until January due to changes to the income tax code. Use the above Form 1040 and 2016 Form 1040 Instructions to view, store, and print them for free. In the 2016 Form 1040 Instructions Booklet you will find: Should I file an income tax return chart, Form 1040 expiration date, Rule instructions for Form 1040, Instructions for credit for earned income (EIC), Mailing address for where you send your forms, IRS income tax table to use with Form 1040. The IRS began processing paper and electronically filed income tax returns on January 23, 2017. Please print, fill out and email your form 1040 2016 now when you are ready to do so. Employer Forms W-2, Bank Forms 1099 and subcontract work, and other important tax documents are generally due to you by February 1, 2017 that have already expired. Contact your employer's payroll department immediately if you haven't received your W-2 yet and requested a copy. No long form 1040 filer? You can use the printable form and instructions PDF files for Easy Form 1040EZ and Short Form 1040A here. Reference: 2016 Form 1040 Instructions, published by the Treasury Department Internal Revenue Service IRS.
