Seasonal dishes, like absolutely fresh heather asparagus, steak. Fresh fish and salad specialties are the basis of our menu. For seasonal reasons, we offer: fresh Easter asparagus dishes Easter lamb specialties fresh cuisine from Eder to Fritzlär during the autumn season fresh dishes of mushrooms and game (native forests) during the Christmas period specialties of geese and ducks Whether it is a wedding, corporate parties or even a lunch dish, we fulfill your wishes and give the appropriate setting to your celebration. On our sunny terrace, you can enjoy changing lunchtimes from 7.00 to 15.00 or coffee and cakes in appropriate weather conditions. From the donation, the Grenache De Syrah Max Max lights up in a dark red with purple highlights. In the nose, it smells intensely bromine and blueberries, black cherries bounce, juicy dark plums and rolled blades. Then there are ground cocoa beans, ground coffee and fine-grained peppers. In the mouth, the Louis Max Max Syrah-Grenache is full-bodied and round with a smooth tannic structure. Here are wild blueberries, dried plums, raisins and dark chocolate chips. In the descent, it remains soft, juicy, and there is still time in the mouth. Louis Max MAX Syrah-Grenache is an easy-to-drink wine, and you should limit yourself to not drinking the whole bottle alone. The optimum serving temperature is 15-17 degrees Celsius. I didn't even taste like fish here... The menu is not very large, but the dishes are all freshly prepared, and I appreciate it.
