## Top tier baseball cost

COACHES - We invite you to list your team. A list of teams is required to post a test. Click [HERE](#) to get started. About Achievements General Information Notable Alumni in 2004 Top Tier started with a team. It was an 18U team that traveled the country quickly creating a national brand with the baseball style they played. This team won more than 40 games and featured future great player John Ely and 5 draft picks. Top Tier has evolved since its inception in 2004 to one of the elite amateur baseball organizations in the United States. The strength of our program lies in our commitment to developing players and building trust through hard work and dedication. We designed our program to maximize the exposure of our players by playing a competitive regional calendar combined with elite national strategic events. Our high school schedule provides players with the platform to showcase their skills in front of the best schools and scouts across the country. In recent years, Top Tier players have committed to schools in the Power Five Conferences and more including BIG 10, SEC, ACC, PAC 12, BIG 12, Big East, Missouri Valley and Ivy League, among others. We take great pride in A Tradition of Excellence in Top Tier Baseball that has developed as a result of the hard work of many prominent players, the dedication of coaches, the unwavering assistance of our sponsors, and the commitment and support of parents. The common goal of everyone involved is to put players in a position to compete, where to gain confidence successfully and learn from failure. We believe our team puts players in the best position to succeed on and off the field. 12U Amazing American Experience. It couldn't have been better for my son. He loved his coaches, the team won seven tournaments and he really liked the other players. Best chemistry team I've ever seen on a youth baseball team. It's great to be away from Dad. This is the best program I've found when it comes to preparing kids for high school and college. We have detected that JavaScript is disabled in this browser. Help Center The Aurora Travel Baseball program strives to provide Aurora players seeking a higher level of competition with an opportunity to compete against some of the top community teams and select travel teams in northeast Ohio while focusing on developing strong fundamentals, teamwork and sense of community at a reasonable cost. Our view is that Aurora players should not have to leave the community to to a private club and spend thousands of dollars to get a high-level baseball experience and reach your maximum potential. We partnered with aurora high school's baseball program under the direction of coach Michael Michael The Greenmen consistently advanced to the OHSA State playoffs, earning spots for Division I State Final Four in 2013 and 2015, and Regionals in 2014 & 2017. Through Coach Brancazio, his team and players, we're teaching baseball to Aurora Way. We, field travel teams in the age divisions 8U-16U, which compete primarily in the Buckeye League, but also other regional leagues like cvba and GLBL. Teams also compete in weekend tournaments from 3 to 4 each season. 12U and 14U teams have the opportunity to travel to destination tournaments such as the Ripken Experience at Myrtle Beach and Cooperstown Dreams Park. Other age divisions have the opportunity to participate in regional tournaments in Columbus, King's Island, Cedar Point and other regional destinations. Teams will be required to raise additional funds to go to a destination tournament. The 8U tournament team season typically consists of approximately 8-12 games and 4 tournaments. Travel teams train twice a week starting in February. The season and tournament usually start in April/May. The travel season usually runs until the beginning of July. The league playoffs are usually the 12 weeks of July. Teams can play in up to 30-40 games per season, depending on playoffs and tournaments. Being on a travel team is a big commitment, with game schedules changing frequently and having several nights of games a week. Players earn a spot on the roster through a competitive test conducted by an independent evaluator with professional baseball experience. No testing process is perfect, but we strive to make it as fair and objective as possible. If there are enough players to meet the minimum requirements, we'll take the field with multiple teams in that age division. Players must be aurora residents or be a student in the Aurora School District.
