Compiled and annotated by Holm, who felt the need for such a book, it is rich in more than 1,000 biblical passages and short commentary that shed light on all life's problems. The Runner's Bible is a daily spiritual respite for busy people on the run. First published by Hawtin Mifflin in 1913 and with more than 60 prints since then, this classic Prayer Bible has been blessed by countless individuals seeking guidance from the Bible. It was originally compiled and commented on for the 17-year-old daughter of On the Run by Nora Holm in 1910. Holm felt that the book was of great value to people of all ages, especially in our fast-paced society. The Runner's Bible is rich with more than 1,000 Biblical passages and short commentary that shed light on all life's problems. Now more than ever, the Runner's Bible offers peaceful and quiet moments in a hectic and stressful world. According to Polly Bellian Bellens, the author of several books, including All Children, All Parents, said, The Runner's Bible is the best spiritual aid for the daily prayer life I know. Many people have heard of it, and bookstores often assume it is for joggers. Nevertheless, thanks to its faithful underground word of mouth, there were 68 printings of this gem of the book. A compilation of Biblical quotations and the author's own wise, inspired commentary, The Runner's Bible is a spiritual oxygen tank, health room, and compass for soul-searching, busy, healing and re-orientation. Most people who have come to know the Runner Bible keep multiple copies. The God encountered in the Runner's Bible is not a fictional distant superperson, but a source and power of intimate, immediate existence and underlying personal existence. Organized around themes such as love, gratitude, healing, forgiveness and peace of mind, it can be sought for, especially in the moments of need. Regular and frequent use of the runner's Bible will help prevent us from mentally walking off the cliff and stumbling into the ditch so that the compass that is frequently checked does not get lost. -- 1 2 3 4 5 Next -- Visit the Help section or contact Premium Hardchart start a Bible review of runners: spiritual guidance for people on the run This is not a book you read - it's a book you carry with you.
