Americas best eyecare club reddit

What's included in 2 in the \$69.95 deal?The \$69.95 ad offers single vision uncoated plastic (CR39) lenses, frames from a \$59.95 price selection and free eye test*. Even if you choose a more expensive frame or lens, the exam will always be free as part of this deal. Upgrades such as Tinto, NeverGlare anti-reflective coatings, veritin or beryllite lenses are extra, but the best in America always offers products with savings, so customers always pay less. This offer can't be combined with other discounts, coupons or insurance plans. Read more Can I share 2 of the \$69.95 offer with other users?2 of the \$69.95 offer cannot be shared with other individuals and both pairs of glasses must be for the same person. Two pairs can use two different powers, but they must be from the same prescription. Read more How do I find the best locations in the U.S.? To find the best locations in the nearest U.S., enter your zip code or city and state in your zip code or store locator on this website. Read more How much does an eye exam cost? At best in america, eye exams are free* with our two-pair offer! Trials without the purchase of two pairs cost just \$50. Schedule an eye test at America's Best today. Read more How much does a contact lens test cost? Contact lens testing is \$89, but customers can join the Eyecare Club for a three-year contact lens test (up to twice a year) and get discounts on contacts and glasses! Read more Do you accept appointments and walk-ins for the day? Make a reservation online. Read more How can you save money if your child wears glasses? Our 2 for \$69.95 contract allows parents to always have a backup pair of glasses for their children, and KidsGear™ damage protection plan covers both pairs of glasses. KidsGear™ damage protection plan includes additional protection for children under the age of 13, with scratch-resistant coating and UV protection. All children's eyeglass lenses are upgraded to impact resistant polycarbonate lenses for greater protection from breakage. Click here for more questions about ordering glasses. Read more How long does it take to get glasses? Associates should give customers who place in-store orders the exact day when their glasses should return to the store. Since we use a centralized lab, the glasses are usually ready to pick up in 7-10 working days. If you would like to have your order status, please contact the store. Read more What is the glasses return policy?If you are accompanied by a receipt, we offer a 30-day return policy for glasses. Read more What payment methods do america's best contacts & glasses accept?MasterCard, American Express, Discover, Cash, Check (with Valid ID), Care Credit, Care Credit Credit Card. Read more Can I use FSA \ (flex spending account) or HSA \ (health savings account) to pay for purchases? Yes, you can use FSA or HSA funds when buying eye examinations, glasses, eyeglass lenses and contact lenses. Please note that all FSA funds must be used by the end of the calendar year. Read more Are premiums required for glasses, contacts, or eye examinations? No, America's Best Contact & Glasses does not require the use of vision insurance anywhere in our company. Read more America's best accept vision insurance? For in-store purchases, we accept most vision insurance plans, including Eyemed, Spetera, Superior Vision and Davis Vision. Many stores also accept a variety of regional vision insurance plans. For more information, please contact your local store. For online orders, do not accept vision insurance to pay for your order. We provide receipts that can be submitted to your insurance company as an out-of-network purchase. Contact your insurance company before you make a refund or determine if there are restrictions on off-network purchases. Note: Your vision plan may be offered by a different carrier than health insurance. Read more Do america's best offer a protection plan in case my frame breaks? If your frame breaks or your lenses get overly damaged during the years, bring them to your local American best store and we can replace them (only one replacement is allowed). This plan does not include lost frames or lenses. Read more Are your prices much lower than other retailers? We buy so many eyeglass frames from manufacturers that we can negotiate unprecedented low prices from vendors. Then we pass those savings on to our customers! In malls with high rents, you won't find our stores. America's best stores are located in large and convenient shopping areas. We also own and operate three of the most voluminumined optical laboratories in the country. Equipped with the world's most sophisticated optical instruments, our laboratories are staffed by professionals with decades of experience in eye care and manufacturing. It's not just a better deal. It's america's best. Call 1-800-TWO-PAIR or click here to make an appointment. Read more If I already have a prescription, do I still need an eye test?Store to buy glasses and contact lenses. If you don't have a current valid prescription or think your eyesight may have changed, an eye examination from one of our independent doctors of optometing is only \$50. If you buy two glasses at America's Best, you can get a free eye test. * Contact lens test is only \$89, but by joining an eye care club, you can take a 3-year free contact lens test (up to 2 times a year). Read more America's best have special deals on bifossing and progressives? You can buy two pairs of lined plastic bifossing lenses (FT28) for \$99.95, including a free eye examination. Other bifoam and no-line progressives are also available at discounted prices. For more information, please call or contact your local store. Read more Do you find a wide selection of eyeglass frames and lenses in your store? While other optical chains may only offer dozens of pairs as special parts like ours, America's Best offers almost 200 frames as part of two pairs in a \$69.95 deal (frames tagged at \$59.95 with single vision uncoated plastic lenses). America's Best also offers designer brands - check out our selection! We carry premium lens options for additional fees such as transitions®-signature™ polarized sunglasses, impact-resistant polycarbonate materials, nevel glare advantage® anti-reflective coatings, and more. Other options include solid or gradient tints, scratch resistant coatings, and UV protective coatings. Most eyeglass lenses can be coated and coloured. If your prescription indicates that it may be suitable for correcting your eyesight, one of our companions will help you decide what is right for you. Whatever you choose, you always pay less at America's Best! Read more I didn't have a contact before. How do I get a trial pair?Make an appointment for a contact lens test online or call 1-800-TWO-PAIR to schedule an appointment with an independent optometry doctor. After the exam, America's Best Associates walks new contact lens wearers through training sessions using test diagnostic lenses. After wearing a trial diagnostic pair for about a week, the customer must return to the store to evaluate their contact lenses and receive a final prescription. If you've been wearing contact lenses for many years, join the Eyecare Club to save on contact lenses, exams, and glasses. For more information, can I buy contacts online? Buy contact lenses online and deliver them to the door. Check out our guide on how to buy contacts online. Read more You can buy contacts as part of 2 \$69.95 offer?2 of the \$69.95 offer only applies to glasses, but there are other ways for contact lens wearers to save!Free contact lens test years (up to 2 per year), plus discounts on your contact lenses and glasses. Click here for more questions about ordering contact lenses. Read more If you don't see an answer to the above question, contact us or write to us: 2000 New Point Parkway, Suite ELawrenceville, GA 30043 Read more
