## Manuela sanchez michel cantando

Alejandro Sanz and his first wife, Mexican model Jaydy Michel, have always maintained a low media profile of their daughter Manuela Sánchez. The girl whose singer wrote the song and I can think I love you is about to come when she's 19. Just a month before such a marked date, she decided to go public with her Instagram account, where she already gathers nearly 3,000 followers, and this Thursday she has accompanied her father and partner Rachel Valdés to an event in Madrid in recognition of the artist's career and his connection to the Spanish capital. Gradually, a young woman does hesh. Currently, she has posted only eight photos on Instagram where selfies stand out. She has also shared a portrait with a friend and asked her followers for help naming a puppy, Benji or Ron? Manuela Sánchez follows about 50 profiles on the same social network, including celebrities such as Miguel Bosé and Genoveva Casanova, friends of her father. She also exchanges messages with Rachel Valdés, with whom the young woman has a good relationship. Her parents are also among her followers and own messages like my beautiful life or my beautiful princess. In addition to the anecdotes shared on social media by Alejandro Sanz and Jaydy Michel and during interviews, little is known about the life of Manuela Sanz. She's sensitive, committed, a good student and good for her siblings, the singer revealed to Bertin Osborne on My Home Is Yours. The young woman lives in Mexico with her mother and gets along with her siblings: Alexander, 17, son of Puerto Rican designer Valeria Rivera, Dylan, eight, and Alma, five, who were both born while the singer was with Raquel Perera. He also has fun with Leonardo, his mother's four-year-old son and former Mexican footballer Rafael Márquez. He loves his father's songs, he likes flamenco, he knows how to play the piano, and when he's 14, he shared the stage with his artist. During a concert in Guadalajara (Mexico), a young woman acted as a choirgirl during a performance of A Zombie Out in the Open. Let's hear it for the new singer, who has premiered here in Guadalajara. Manuela Sánchez Michelin. She's my daughter! cried out to a proud father. Jaydy Michel was in the audience and wrote on social media: Whenever I see these pictures, I get carried away. How much love between father and daughter. But at first, music is not one of his greatest interests for the professional future. Manuela Sánchez seems more oriented towards the world of fashion, the love that comes from her mother, and her passion for yoga. In Mexico, Michel and I have worn out of custody, is dedicated to making handbags, which surprised the model. Very proud to see my princess draw her creativity these days. In two days, he's made several bags of cloth he's stored. My designer, I love you so much, said Instagram.Su father has spent quarantine in Madrid, away from his four children. The artist has not always been able to be present in his first-born's life with work commitments. But no doubt the young woman was before and after Alejandro Sanz's life. She's the best love story ever told. The love story he's ever told is written by him. You close and open chapters of my life, the artist wrote on Twitter when his daughter got her age last year. In 2019, Manuela Sánchez graduated from Thomas Jefferson High School in Guadalajara. The singer was unable to attend the ceremony, but a few days later she got to star with him for a very special moment. The father and daughter went to the young woman's ball together and the artist shared that moment with his followers. Yesterday I was at a movie dance that we all dreamed of. But my real dream is fulfilled by him, Manuela, and even in a dream, I can't take my eyes off my little girl. Happy, proud and impossible to love her more. pic.twitter.com/K1fVbAidQX—Alejandro Sanz (@AlejandroSanz) June 29, 2019 Alejandro Sanz and his ex-wife Jaydy Michel kept their daughter's photo off social media and publicity. But in recent years, photos and news of Manuela have multiplied online, watching her thousands of times. In June 2019, we were able to attend her graduation with her mother, who couldn't be prouder of her daughter. Seven days later, with his father, we lived an emotional personal moment of his life at a Hollywood-style ball. But who is Manuela Sánchez Michel? Manuela, the eldest daughter of Alejandro Sanz Manuela, is the eldest daughter of Alejandro Sanz. As a result of her first marriage to Jaydy Michel, the little girl was born on April 28, 1945. As we told you, a few weeks ago he graduated from the Thomas Jefferson Institute in Jalisco (Guadalajara, Mexico), where he lives with his mother and partner, former footballer Rafa Marquez. The relationship with his father's children, Alexander, Dylan and Alma, is good. some web publications. The same goes for Leonardo, his mother's other son. Musical DNA Physically Manuela looks much more like Alejandro than Jaydy, but her mother has been drawn to her passion for fashion and yoga, the discipline they practice together. Manuela has not been very interested in devoting professionally to music and showing talent inside her at the moment. We've been able to see it in some social media posts playing the piano, an instrument that dominates perfectly. At the age of 14, he took to the stage of his father's tour to sing zombie with open doors in front of thousands of people in Guadalajara (Mexico). Let's hear it for this new singer, who has premiered here in Guadalajara (Mexico), for Manuela Sánchez Michelin, is my daughter! said Alejandro Sanz. Manuela, on social media Manuela has an official profile on Twitter and Instagram, where she has nearly 1,500 followers, but her account on the latter social network is private. Where you can follow a young woman's everyday life is in VSCO Cam, an app that meets Instagram among many young people in Mexico. In this app, you have photos with your parents, but above all their taste in fashion, trips and visits to the beach. And I can only think of loving you One of the greatest hits of Alejandro Sanz's music career is names and surnames: Manuela Sanz Michel. For him and him, the Madrid musician composed and I can only think of loving you. The song premiered on MTV Unplugged, which Alejandro Sanz recorded on 2 May. It was the first time a Latin artist had recorded such an album and a song dedicated to Manuela became the first single in this recording. And yes, she likes her father's music in her DNA, she carries a passion for music, and although youth often makes the taste of music change, Manuela is passionate about her father's music. I'm no longer just out singing with him or with him at important award ceremonies, but Alejandro Sanz's music sounds in the background in his room. At this point, every follower of Alejandro Sanz knows Manuela Sánchez, her eldest daughter, as a result of her marriage to Jaydy Michel. He is now 19 years old and has gradually gone from anonymity to subtle popularity and an increasingly general presence in society. But until now, I hadn't given any interviews. And that has been said so far, because it has already been released. It's the November cover of Vanity Fair magazine with her mother. And what makes it clear that he wants to be an artist. However, it is not clear which of its aspects. Because Alexander's daughter can sing, seed or paint. Although Manuela has recorded the game knowing how well the mother and daughter are known, makes it clear that for now he's going. Going. Focus on being a fashion designer. In fact, her happy place is the studio she has in her room, where she spends hours sewing. He loves pasta, as long as he doesn't carry seafood. He would like to live in Madrid, New York, Paris or London, although he has spent his greatest time in Mexico and has now moved to the capital with his mother. Its favorite ice cream flavor is chocolate mint or coffee. She doesn't rule out music. He devoted himself to his daughter, and I can't think of loving you and my child. Some of his art has left him in the DNA. I love pop, rap... and flamenco too, Manuela says. She's fine. She sings nicely, adds her mother. He already has a little music career. He was only five years old when he appeared on his father's album Train of Moments. I was playing the violin on They Get Upset. Other instruments I can play include clarinet, piano, guitar... But they're like a bike, if you don't practice, you forget! He says. His father has taken care to keep him close to the great, one of them, his admired and beloved Paco de Lucía. I lived with him several times. He was my brother Dylan's godfather. Very funny and funny, the biggest example I follow for my dad. I was always joking! He remembers the master. As for his relationship with music, he likes it and doesn't rule out making a record, I'd like to. The relationship with his father Father and daughter is very close, as they have ever seen. I'm glad everyone loves him and admires him so much, but to me he's my father. I don't know what it's like to be an entrepreneurial father. The most important thing is that he is a good person and that whenever he can, he tries to help people, he says. Although he hasn't hesitated to reveal one of his father's secrets before going onstage: Siping tabasco is best not to stop spitting. In Spain, one of his favorite plans is to enjoy his father and brothers at the Jarandilla de la Vera in Cáceres. We go on the road, we play cards, we watch movies, he confesses, we are a modern family and we work very well. Our way. A reflection of fame Because she is the daughter of two such popular characters, she has been related to fame since birth. Ever since I was a kid, my parents have kept me out of my fame. I appreciate it because I've been able to grow the way I want without so much pressure. I'm not afraid, but I don't want to be famous either, he explains. Now that anonymity has already disappeared. She is more active in networks and follows her parents to public events. I don't think of myself as an influencer. I opened my Instagram profile to make myself known as a person and help things I believe, the fight against animal abuse, he says of his networking activities. Networks.
