Happy reading! (It was loud and a full day after the Loud House event.) Lincoln, who has a neck brace, is in his room with his money counted. He put the money in the pillow) Lincoln; (to the viewer) Hey, there. Well, yesterday was a destructive day. My 10 sisters fought rudely with me over a quarter and piles of cash that had to clean the attic, even though it wasn't my fault. I was shocked that my sisters just hurt me. I'm going to talk to them. (Lincoln went into each room and there are no sisters) Lincoln: unbelievable!- Lincoln said - (to the viewer) If you want to know why I got a neck brace around my neck, Lily bit me twice. (He walks downstairs looking for his parents and finds them each reading a book) Lincoln: I'm good. - Lincoln said - Where are the girls? - Rita said Lincoln: What are they going without me?! - Lincoln says angrily - first they attacked me, now they forget about me! Rita: Sweetie, calm down!- Rita said - there's something we need to tell you. Lynn SR: About Sharon- Lynn Sr. said Lincoln: The previous owner of this house?- Lincoln said LYNN SR: Yes, here's the truth. - Lynn Sr. and Lincoln says angrily - first they attacked me, now they forget about me! Lynn SR: Unfortunately, yes son. - Lynn Sr. said - we wanted to tell you first and then the girl. Lincoln: So I was rudely beaten by my sisters and forced to clean the attic. For what?! - Lincoln shouts RITA: We are sorry that you have to suffer for quite an ordeal. - Rita comforted (Lincoln ran upstairs to his room, upset) LYNN SR: Son, wait!- Lynn Sr. called (they looked at each other and worried. Then, at the Royal Woods Mall, the girls are walking around, they have bags in their hands) LORI: Oh, this is literally the best shopping day. - Lori was happy to say Reni: It's Lori. - Leni agreed - but it feels like we've forgotten something. Lucy: We're forgetting something. - Lucy said LUNA: You're right, we have less money. - Luna rounded out LOLA: we spent all the money and were out of it now. - Laura complains Luann: I still know who got the money. - Luann said (Lincoln is counting his money and he's seeing something online) Lincoln: I can't wait to show this to my sisters. - Lincoln said (heavy footing occurred, shadows approached the door, shocked Lincoln): (shocked) Ah. - Lincoln said he was shocked (he immediately stuffed money in his pocket, put his laptop on his desk, pulled out a cartoon and read it. Mean, selfish, ungrateful, bossy, brutal, wasted towards me!- Lincoln exploded and broke down in tears, I'm your only brother and this is how you pay me back?! I look, I mean I wear a neck brace for you! All the time I've been pushed around you 10 times, I don't think you care too and you don't care for it too! Why can't we be a normal, hostile, and/or simple family once instead of this violence, misery and destruction? (Lincoln, devastated by this insane ordeal, breaks down in tears and runs after Lincoln, leaving Lynn Sr with the girls) Lynn SR: You guys should be ashamed of yourself!- Lynn Sr. scolded - He treats your brother like a doll or something! LORI: So far, was it a trick?- Lori said, shocked - we didn't know. - Lynn Sr. said angrily - I had to clean the whole house, plus, I had to give my job bonus! LYNN SR: You'll get because you've been grounded all for two months. - Lynn Sr. mentioned LORI: What, why?! - Lori shouts LYNN SR: because you were vile and rude to Lincoln and he shouldn't have been beaten because of you. - Lynn Sr. said - you'll clean the house instead and you'll do chores for two months until you pay me back. (Lynn Sr. walked away and the girls all regretted and grieved what they had done to their brothers) Lana: What did we do?- Lana solemnly said LORI: I can't believe we hurt him like that. - Lori, I told you.LYNN: We acted like a complete jerk towards him just for the money. - Lynn said Luann: Look around us. - Luann said - our house will be destroyed. LUNA: We must not be so violent or brutal to you. - Luna said LYNN: We were selfish, our greed got our best. - Lynn said - and we took our frustrations out on you, little Bro, LENI: we hope to find it in your heart and forgive us, linky, - Leni says Luann, Lucy, Lana, Laura and Lisa: I'm sorry, Lincoln! please forgive us! - the girls said sadly (Lincoln touched this, he hugged them, they hugged him) Lincoln: Thank you. - Lincoln said - I forgive everyone. (The girls all come out into the backyard through the kitchen, see the big trampoline, Lincoln, take off their shoes and jump, he jumps on his brothers) Lincoln: I'm touched by your apology earlier today and to make it up to you, I'm using my \$45, (quietly) and half of my pocket money to buy this trampoline for us to share. - Lincoln said (the girls were all touched by Lincoln's request and hugged him in a group hug) LORI: Thanks, Bro-Lori happily said LYNN: What are we standing here for, we can jump into it!- Lynn said an excited LUAN: Can bounce!- Luann laughs (The girls eagerly ran up to the trampoline, but Lincoln stopped them) Lincoln: Wait! - Lincoln said - it's brand new.
