Hayatus sahabah pdf

Answered by ByShaykh Rasheed Ahmed The book hayaat-us-Sahaabah is filled with a mixture of authentic and weak hadeeeet and even extremely weak and forged many of which promote false beliefs and principles. Examples of such discarded hadeests that include: 'Addaas who declared himself prophet (صلى الله عليه وسلم) without him being the least opposed! The Prophet (صلى الله عليه وسلم) complains to Allaah: To whom will you surrender me?! An enemy who will treat me harshly or close to whom you will give control of me?! My companions are like the stars that you follow will be rightly guided. ... and others. Accordingly, many Ahl-us-Sunnah scientists such as al-Albaanee (Silsilat-ul-Hudaa wan-Noor #524), Hamood at-Tuwaijiree (Silsilat-ul-Hudaa wan-Noor #524), Hamood at-Tuwaijiree (Al-Qaw-ul-Baleegh fit-Tahdheer 'an Jamaa'at-it-Tableegh), Muhammad Jameel Zaino (Kaifa lhtadaitu) and others (C.f. Al-Jamaa'aat-ul-Islamiyyah) warned against giving this book to laymen to read. Moreover, author Muhammad Yusuf Kandhalawi is one of the main sheikhs of the Deobandi/Sufi movement. Jamaat Tableegh. In fact, his father Ilyaaas was its founder and this book, among a handful of others, is one of those jamaat prescribed its members to read. Unfortunately, a detailed analysis of this book and its hadeeths is not possible at this time. For more information, please refer to Jamaat Tableegh and the Deobandis: A Critical Analysis of their Beliefs, Books and Da'wah by Sajid Abdul-Kayum. Instead of such unreliable books, there are more than enough reliable English-language books about Sahaabah that should be read, such as: Men and Women Around the Messenger, Sa'd Yusuf Abu Aziz Children's Companions Around the Prophet, by Darussalam Research Division Heroes of Islam, Dr. Mahmoud Esmal'i Sieny The Great Women of Islam who received good news about paradise, Mahmood Ghadanfar Commanders of the Muslim Army among fellow passengers, Mahmood Ghadanfar History of Islam, Akbar Shah Khan Najeebabadi Books on Islamic History compiled by Dr. Ali. Michael Sallabi and Allaaah know best. < Return to Questions Previous Post App Ayat-e-Saif If you liked the article, leave a comment below CategoriesAuthorsAI Qur'anAli GatorBoard BooksClassical-OtherDictionaryEducational AidsGoodword BooksHaba'ibHashim Kamalibn Abi Duniyalbn Ajjibalbn Arabilbn Ata 'Allah al-Iskandarilbn Hajar al-Asqalanilbn Hajar al-Haytamilbn Hazm al-Andalusilbn Jawzi. I believe there has never been a book of this kind ever written about the lives of companions (may Allah be satisfied with them) the Final Prophet (peace with them). A large collection (2,000+ pages) of events and incidents involving the Prophet (Allah bless him and give him peace) and Sahabah (Allahbe satisfied meticulously categorized by the common lessons and morality that these incidents symbolize. Together, the author organized an enormous amount of information to paint a vivid picture of the struggle for Da'wah from Sahaba, and their training of prophets (Allah blessed him and gave him peace), an image meant to leave an insensitive mark on the reader. The author mainly relied on authentic hadis and works by renowned classical scientists. The book graphically presents in detail every aspect of many great and seaside lives, morals and struggles of The Sahaba, based on the authentic and original sources of Ahadeeth, Sirah, Tabaqat and Islamic history. Here lies all his hear, the light and power of their faith in Islam, evolving into words and deeds that laid the foundations of the golden age of the true caliphate. Originally written in Arabic by renowned scientist Maulane Muhammad Yusuf Kandhlawi the book is highly praised as one of the most authentic books of its kind, throughout the Islamic world. As such, it is necessary for all those who want to understand the core Islamic forces at work, in the lives and times of the Sahaba, which has turned the tide of history. I don't have the slightest ability and competence to write an introduction to this book because the learned compiler is among the high-ranking scholars and sincere and devout personalities of this age. From The Introduction by Abul Hasan Ali Al-Hasani Al-Nadwi.This new edition printed by Zam Zam Publishers is a new fresh, peer-reviewed, better translated version.
