Cub scout outdoor activity award covid

COVID-19 Progress Information Provides BSA Scouts promotion requirements due to the continued operation of COVID-19. Click [HERE](#). BAC Extension of Age of Eligibility Process - Use this link to reach the BAC process to request extensions associated with COVID-19 restrictions. NOTE: Extensions that are not related to COVID-19 restrictions are not compatible with this process. The BSA Guide to Advancement Extension of the Age Requirement (GTA 9.0.4.0) contains five tests to consider when reviewing extension requests. Council-approved extensions of covid-19 extensions for eagle, peak and quarter-centuryOpports may grant an additional extension of up to 3 months after receiving another proposal. Councils should remind Scouts/Marine Scouts who receive extensions who need time to complete Eagle/Summit/Quartermaster Service projects to consider making changes to the Projects, including a possible change to the Projects, so that they can be completed by a new date. In order for scouts to receive a second extension, they will have to submit a new application that includes the following 2 points: A new time request that must address these three elements of how much time they request What else they need to complete the Justification for the time they ask why they think they can meet the requirements at the time they are required. Note: Here they would address potential design changes to complete the project within the required time. An updated progress report that reflects the promotion requirements (merit/project badges) completed since the last request. Applications should be submitted to the county's Progress Chairman, Chairman of the Progress Council and Professional Advisor for the BAC Advancement Committee.Scouting at Home – Link to action ideas to remain active in scouting, while individuals are not actively meeting face-to-face. Should scouts who take part in family fun fest count if the scout takes part in the replacement? Thoughts? Thanks in advance. Virtual camping is allowed for rank promotion, so I'd say the virtual Family Fun Fest can be used as a day camp for the Cub Scout Outdoor Activity Award. 1 How about BSA COVID-19 FAQs: What are the tips for completing the Outdoor Activity Award and summertime pack award? Packages and caves should do everything to fulfill the intentions of the rewards. If the required activity (such as a day camp or resident camp) is not possible due to the COVID-19 pandemic, packages may use an alternative option of their choice. Individuals should continue to comply with any restrictions outlined by their state and local health services or other local officials regarding gatherings, etc. 2 Likes My plan was/is to give up on it for any scout who did not have a camp they could go to. We didn't have a virtual day camp he said I'm not going to give up on it for everyone. Our bear camps and webelos were held for a family that withdrew from the camp, I had no intention of guessing the decision, but not to win a reward for throwing something that you do not do, but maybe. Our summer program was only two months old, I was hoping for a reward for summer time. The official standard in the promotion guidelines gives individuals the opportunity to waive requirements for young scouts, where leaders believe the best possible effort has been made toward completion if the Scout meets all other requirements, goes outside a lot and there was no summer camp to go to, sign them. With all the restrictions on collecting sizes it is a lamest summer scout for group events. We allow grace if you take it to hiking or outdoor events planned fantastic. You can always photo from a parent dealing with scouting activity with family while hiking or bonfire in the backyard or working on rank at the optional level... remember its still a DO YOUR BEST program. 1 How our county day camp was closed. Our council resident camp has been closed. The resident camp of another nearby council was also closed, where we also planned to attend (because the two camps are better than one) was also closed. We give scouts credit for every virtual camp or camp in the box they participated in. There were many opportunities across the country. We've provided families with a lot of information about the dozens of virtual camps we run. 2 Likes I have dug into the Attend Camp outdoor activity award requirement before making it eligible and get feedback from multiple levels up by the National Staff. The primary intent is to give the Cub Scout a camp experience. It is recommended that this experience be day camp week or week/weekend resident camp, but the formal points are: programmed camp with opening, closing and scheduled programmed activities conducted by Camping School trained staff. You can do it at a party day or even a virtual event, but I really try to make sure that the event hits all the signs and has a real taste of the camp. It's a reward, not a rank requirement, so while it's nice to earn in the summer as a starter of the year program there's still plenty of time to try to find events that meet your requirements. The following quote is I use the basis for the requirement: A week of camp life is worth six months of theoretical teaching in a conference room. Does the WOSM Jamboree online (JOTI) camp attendance count on this award? Camping | JOTA-JOTI 2020 This topic was automatically closed 7 days after the last response. New responses are no longer allowed. Rank/AchievementsSpecial capabilities for Cub ScoutsReligious Emblems Scout Scout Programs is venerable. He is respectful of God. He is faithful in his religious duties and respects the beliefs of others in matters of custom and religion. Cub Scout Outdoor Activity Award Tiger, Wolf, Bear and WEBELOS Scouts can win the Cub Scout Outdoor Activity Award. This award grants Scout for taking pairs of tin outdoor recreation and conservation projects. In many cases, you can earn this reward through other reconnaissance activities.
