## Whynter arc-12sd manual

The eco-friendly Dual Hose Portable Conditioner by Whynter cooling capacity offers 12000 BTU cooling capacity in an area of 400 square meters. This unit has remote control, carbon air filter & washable pre-filter and programmable 24-hour timer. Available in AppliancesConnection Features: CFC Free Portable Air Conditioner Whynter will be GREEN! With this new eco-friendly CFC, lead-free and high energy efficiency portable air conditioners, you can stay cool while following better environmental standards and reducing energy consumption. This Eco-Friendly Refrigerant Whynter GREEN ARC-12SD portable cooler has free Green R-410A ECO-FRIENDLY CFC and RoHS compliant components. The Unit's patented Advance Auto Drain technology features patented advance auto drain technology, which uses and recycles moisture collected during the cooling process to produce cool air. Dual hose operation provides fast cooling, 400 sq. ft. Cooling Capacity This unit can cool down to 400 sq space. ft. (ambient temperature and humidity can affect optimal performance). Protective Cover Equipped with a protective cover with pockets that will protect your portable air conditioning unit plus store exhaust hoses, window kits, remote controls, and user manuals when not in use. This protective cover will keep dust and dirt from collecting on the unit while in storage. Additional Features: Frost White color 12,000 BTU Cooling Dual hose operation ECO-FRIENDLY CFC free GREEN R-410A Refrigerant Lead free RoHS compliant components Patented auto drain function fully exhausts all condensate automatically in most environments Three operational modes: AC, air conditioning, digital LCDI fan or dehumidifier and remote control (Leakage-Current Detection and Interruption) plug Dehumidifying Capacity: 96 Pts/day Designed to provide quiet and efficient cooling to any room, without permanent installation of 3 speed fan Carbon air filter and fully pre-filtered fully resolidable control (61°F - 89°F) Casters for easy mobility 24 hour programmable timer noise level (dBA): &#56 Automatic restart after power outage Extendable exhaust hose (up to 49) Plastic improved window kit including window kit length : Max, I'm sorry. 36 Refrigerant : R-410A Air Flow (at high speed): 320 m3/h / 188 CFM Maximum cooling power consumption: 1100 W / 10.5 A Power supply: 115 V / 60Hz / 1 Dimension Phase Unit: 20 W x 16.5 D x 3 4 H Dimensions package: 21 W x 19D x 44 H Net weight: 71 lbs Gross weight: 95 lbs UL listed Width 21 Height 34 Depth 16.5 Brand Whynter SKU ARC12SD Stock Id 319099 Product Number ARC-12SD Warranty New Brand Info This product is New with manufacturer warranty Types of Portable Color Frost White Window Compatible Without Heat No Wireless Remote Controller Including Wattage 1100 Watts Plug Type 5-15P Programmable Timer Yes Including Thermostat Yes Cooling Area 400 sq. ft. Decibel Decibels 56 dBA Total Cooling Speed 3 Air Filters Including Yes Filter Type Refrigerant Washable Type R-410A Ventilated outside Yes Maximum AirFlow 188 CFM Volt 115 Volt Amps 15 Amps Phase 1 Frequency 60 Hz. User Manual Environmentally Friendly Coolant This product uses environmentally friendly Refrigerant. Unit timer program to turn on or off at any time. CFC Free eco-friendly design without chemicals that damage ozone. UL Certification Supported by over a century of proven safety, business, consumer, and regulatory authority expertise worldwide recognizes the trusted rigidity and technical excellence of UL certification. Please Note: It is the customer's responsibility to download, replenish and send rebates within the specified timeframe. Be sure to follow all instructions. AppliancesConnection cannot be liable for rebates that are rejected or not claimed.
