Read More Home ' Guides ' Code Vein Gift Guide By Eddy Robert October 18, 2020If you give the perfect valuables gifts to your favorite NPCs, you will surely boost trading points with other characters. In the Code Vein Valuables Gift Guide, we will be talking about all the unique valuable gifts we have discovered and which NPC appreciates for each type of gift, letting you enhance the bonuses offered for each gift. For the uninitiated to maximize points with NPCs in Code Vein, you need to choose your favorite gifts. Each gift of Code vein has a specific amount of points based on that character. There are npcs that love 35mm rolls, while others prefer organic soap or Geisha Noodles. There are tons of gifts to give in code vein, and if you want to get these +5 point bonuses instead of a week +1, then these gifts you need to give. Namely, I have an NPC assistant that is always there to help out code vein. In order to make the game much easier, you need to support the helpers. If you have problems against boss fight, I recommend grabbing Protect You (and helper) from elementary attacks or any buff. Buff. You want to make the game much easier, be sure to keep your secondary helper alive. If you've been wondering what gifts to give each character code vein, check out the following table for a breakdown of all the valuables that we found: Code vein Valuables Gift Giving GuideIn order to make it easier, we've shared two lists. In the table, the numbers show the trade point that you will look for by giving that item to the character listed. Code VeinCode Venous Guides During your time with Code Vein, you'll find valuable items that you can later turn into gifts for your favorite NPCs, but what exactly do these NPCs like and what bonuses to expect? Our guide will cover you. Gifting the code vein can be a little tricky, especially for those who haven't had a chance to test what gifts go where, here's a gift guide that tells you what items you can go to where and just how much fame you get for each item gift bakad one of the other NPCs. , you get items called valuables, these values are then gifted to NPC via the Exchange option in the dialogue menus. There, you can choose what you give them and then the fun way, but don't forget - you can also swap your reputation with them and obtain valuable items for yourself as well. So exactly what items do you get what trading points for each NPC? Well, let's take a look and figure out who Code Vein is - The best valuables gift in order to discover what items went where, we decided to save two separate files and found that doing so led us to these most optimal gifting values, which of course can be updated if we can find better NPCs for each item.
