Making Fun, Inc. Android 4.0 + Version: 1.4.38 \$0 Eternium (MOD, Unlimited Money) - an excellent RPG with beautiful graphics. Take on the role of Magician, Warrior, or Hunter and explore all the forests and dungeons in search of precious things and pump your character to the limit. You can create different amulets and rings that will give you additional opportunities. Updated to version 1.4.38! Eternium is an incredibly beautiful and captivating Hack 'n' Slash that will bring back the classics of the genre. It is distinguished from other titles of this style by its intuitive movements, its system of gestures of attacks and the great reception it reserves for free players. With the exception of rare features available online only, the game, once downloaded, can also be played offline. Casting spells with signs is simple and rewarding. Tactile change is more natural and more relaxing than directional crosses, but it is also closer to the traditional point and click. The game can be played for free, as well as more than 90% of our players. Purchases are optional. Gems, the main currency of the game, can be won by beating monsters and completing missions. The game does not have a restrictive system of energy or endurance. All the best things are achieved by playing. Eternium was released in 2014, and the game was enhanced by the original development team. Thanks to years of polishing and the comments of millions of players, its quality has always progressed. It is now one of the highest rated games everywhere. It was one of the pioneering genres that helped shape the game culture we have now. When we look back, they are the perfect games for mobile. That's why there are so many interesting RPG games nowadays. One of the most popular is the Eternium. This Making Fun masterpiece is so popular that it's been downloaded over 10 million times from the Google Play Store! If you are looking for a classic RPG with some modern twists, look no further as this game is all you are looking for. Play as a mage, bounty hunter or warrior and embark on an epic quest to level up. There are amazing monsters waiting for you, as well as beautiful weapons and items that you can use. Can you survive in a land full of magic and chaos? Classic with A Modern Twist Eternium is a classic RPG game that borrows heatron from the popular. And like most RPGs, you can freely explore a lot of dungeons and distant places here. Open treasure chests and loot gold, gems, and other valuable items. Equip a lot of items to protect yourself as well as weapons to conquer monsters. Also, you can play with your friends or random people here. You can gather players with functions like tank, healer and ranger players to help you attack dungeons. And as a true RPG, you can use amazing skills and level your character when you can. Try a different kind of RPG now! Features of the Eternium Eternium is a classic but unique RPG game that prides itself on its stunning graphics and gameplay. It's unlike any other RPG you'll see in the mobile markets. Here are its most interesting features: Explore dungeons – The main goal of RPG games is to explore the vast lands full of danger. How else would you get to the level and beat a lot of enemies, right? The same is still true with Eternium. Here, you can explore mysterious places, dungeons and villages. But you must be in your always as there are many monsters lurking everywhere. Of course, as a player, this is your chance to test your skills and level up! Experience intense battles as you wave your way through victory. Level your character - - You can also choose which character class you will be in at the beginning. There are tons to choose from as Warrior, Bounty Hunter, Mage and more. And as you progress, you'll also level your character and learn new skills. That's what makes this game so interesting. It is the culmination of all RPG games so far, but brings many more epic elements to your pleasure. Use skills and armor – Of course, the fun also resides in your character's offensive abilities. You can perform epic moves like Arc Lightning, New Frost, Silence, Vortex, Snipe, Shockwave, Whirlwind and more! There are about 20 skills you can master. And for each of their companions, they can have 4 skills as well. This will make leveling dungeons so exciting to play! A refreshing storyline – Embark on an epic storyline filled with funny characters and mysterious places. In this game, you will track down your arch-enemy Ragadam who plans to destroy everything that exists. You must stop him from doing so and save the world in style. Stunning graphics – RPGs have been known for their stunning graphics ever since. And Eternium doesn't disappoint! In fact, it is considered as one of the best graphics at the moment in the mobile RPG category. Enjoy stunning and immaculate effects worthy of your time.
