TRANSITION TO GOOGLE SUITE After it was hard to switch from Microsoft Word to Google Docs because it didn't have an email merge add-on? Quickklution is here to help you make the transition from Microsoft to GSuite the smooth as possible. This add-on combines the power of Google Google to replace email merge solutions: Microsoft Mail Merge (also known as MS email merge, MS Word email merge, MS Word envelopes & labels, MS assistant, Email merge Excel), Mail Merge/Libre Office, Pages and Merge Numbers. You can now send merge from Google Docs, Google Spreadsheet, and Google Drive instead of a merge of Excel emails. This extension can be used from your Chromebook, Mac, PC or any other platform with a browser. This makes it easy for you to switch to chromebooks!
