Doctor halloween costume ideas

This site is not available in your country Although 2020 stopped at many things, there have still been many moments, from TV shows and movies to memes, which are now waiting to be turned into gold disguised as Halloween. We know, we know, Halloween is scary this year, and not for the things that go boo! in the dark. Costume parties filled with masked strangers (and not the protective type) and children going door-to-door to collect candy from a community cube are (understandably) less attractive this year. But just because you're skipping the usual Halloween festivities this season doesn't mean you still can't win the best costume from the comfort of your home. (We live in the Zoom era, after all.) And we have the costume ideas to take you there. For a newsable look, become Twitter's Boyfriend Cliff. On the TV and music front, 2020 has also provided us with plenty of fodder for costume creation, from Netflix's Tiger King and Cheer shows to this year's best music videos, including WAP, Watermelon Sugar and Cardigan. And, of course, there are plenty of Black Is King costumes to reference on the eve of all the relics. Congratulations if you can hit them all. Ahead, click to see 16 ideas you need to win the Best Suit award. Be sure to call dibs: Given the time we spent tweeting and talking about these moments in 2020, you can bet they'll be everywhere. At Refinery29, we're here to help you navigate this overwhelming world of things. All our market selections are independently selected and curated by the editorial team. If you buy something we link to on our site, Refinery29 may earn commission. Announcement - Continue reading under advertising - Continue reading under advertising - Continue reading below
