Her books featuring memorable, powerful heroines still resonate with millions today. And who could forget one of literature's best-known lines: Reader, I married her from her classic novel Jane Eyre? Part of a remarkable family that produced three acclaimed female writers during the nineteenth century in Britain, when some women wrote, and less were published, Brontë has become a great source of inspiration for writers, especially women, ever since. Now that Reader, I married Him, twenty of today's most celebrated female authors have spun original stories using Jane Eyre as a springboard. Reader, I Married Him features stories by: Tracy Chevalier, Tessa Hadley, Helen Dunmore, Kirsty Gunn, Joanna Jane Gardam, Emma Donoghue, Susan Hill, Francine Prose, Elif Shafak, Evie Wyld, Patricia Park, Salley Vickers, Nadifa Mohamed, Esther Freud, Linda Grant, Sarah Hall, Lionel Shriver, Audrey Niffenegger, Namwali Serpell, Elizabeth McCrackenUnique, inventive, and poignant, stāsti Reader, I Him maksāt maksāt to literary genius Charlotte Brontë, and prove once again that her extraordinary vision continues to inspire readers and writers. Tracy Chevalier is the author of the New York Times bestseller at the Edge of the Orchard and The Girl with Pearl Earrings, among others. She lives in London. © 1996-2015, Amazon.com, Inc. or its affiliate Reader, I married Him isbn: 9781933648026作第: Michele Roberts第版社: Consortium Book Sales & Dist第: 229定价: \$15.76 装帧: Pap After three abruptly ended marriage, Aurora is ready to lose his dismal black trouser suit and find refuge in the Tuscan sun. It is her new eau de nil frock that she sheds, however, when she finds herself in a hotel room disconcertingly magnetic Father Michael. He drives harley davidson, and he may not be a priest at all. One thing is certain, Aurora's radical friend Leonora is now the head of a local monastery, even if Aurora can't imagine what abbess might want with his weapon. Michele Roberts is the author of 11 novels, including Daughters of the House, which was listed in the Booker Prize and winner of the WHSmith Literary Award. She lives in England. Page 2into many women, neither shamed nor mercenary, who, presented by inheriting or marrying Branwell Brontë alternatives, nor heating the chosen money. However, Elizabeth Gaskell, in her life Charlotte Brontë, without checking her facts, condemned Mrs. Robinson, Branwell's employer, for doing so and for seducing the young tutor in the first place; condemned her so completely and so loud that she threatened nemasts action if she did not withdraw her remarks in later editions she did. This example of a woman attacking a woman for insufficient evidence, and on the absolute assumption that in any such situation a woman is guilty, sets the tone for this discussion. Summary: This collection of original stories is today's finest female writers – including Tracy Chevalier, Francine Prose, Elizabeth McCracken, Tessa Hadley, Niffenegger, and more - take takes from the opening line of Charlotte Brontë's most beloved novel, Jane Eyre. To start my review reader, I married him uni reading- found it to be a pretty odd book. I felt like it was lacking in character development and chunks of info. Was also getting quite confused with all the different names the main character was called. Didn't really understand why she did what she did, but found it alright in the story. Uni reading– found it to be a pretty odd book. I felt like it was lacking in character development and chunks of info. Was also getting quite confused with all the different names the main character was called. Didn't really understand why she did what she did, but found it alright in the story. ... more sly and fun. Short, clever and exquisite secret. Don't you just love a book whose last line is you laughing out loud! It's been a while since the last one happened, and since I last read Michelle Roberts. Having devoured everything she wrote in the 90s, the Doctor put paid fiction on for a while and I wasn't back. It was a light, pretty fantastic farical return that I really enjoyed. As always, it is very Catholic completely irreverent, but located in theology, with the skepticism of health clergy and a good dose of classical feminism. I'm off to look Don't you just love a book whose last line is you are laughing out loud! It's been a while since the last one happened, and since I last read Michelle Roberts. Having devoured everything she wrote in the 90s, the Doctor put paid fiction on for a while and I wasn't back. It was a light, pretty fantastic farical return that I really enjoyed. As always, it is very Catholic completely irreverent, but located in theology, with the skepticism of health clergy and a good dose of classical feminism. I'm off looking for other names I've missed..... more I've never read michèle Roberts before so I didn't know what to expect, but it was very interesting. Some great descriptions of food and buildings, as well as amusing characters and, I think, a mystery. ... more this book is just weird. Like another reviewer said, I felt like I lacked tons of details throughout the novel, and although I had more or less understood everything by the end of the year, I was quite frustrated. The end was sudden and quite unexpected, and it was certainly not a positive surprise. It was a light read, a good plane, but the whole other half, really, was just weird. Aurora doesn't have many random, sudden, unexpected things, and attributes everything to her self-charac. This book is just weird. Like another reviewer said, I felt like I lacked tons of details throughout the novel, and although I was or less understood the understanding of to the end, I was quite frustrated. The end was sudden and quite unexpected, and it was certainly not a positive surprise. It was a light read, a good plane, but the whole other half, really, was just weird. Aurora does many random, sudden, unexpected things, and attributes everything to her self-characterization as an extrovert. By the end of the year, I didn't like this book, but it really wasn't particularly worth reading. ... the more I compare reading this book reading a book in another language or watching a foreign movie. Throughout the book I felt like I lacked a lot of information (or that they were not given and should have been), but insisting at least is a gist on the story.... now that I'm done I think it was a good thing that I wasn't given a lot of details. The author writes in a beautiful and interesting way, and the book was very clever. Special ends! I compare reading this book reading a book in another language or watching a foreign movie. Throughout the book I felt like I lacked a lot of information (or that they were not given and should have been), but insisting at least is a gist on the story.... now that I'm done I think it was a good thing that I wasn't given a lot of details. The author writes in a beautiful and interesting way, and the book was very clever. Special ends! ... more Just finished this easy to read book. Nice and light, with a cute twist at the end. A friend at work suggested it, and so I read it. I had never heard of Michele Roberts, so I learned about a new author. I think she has several books. What I liked about the book, the big, airy way! Yes, I'm 50 and not afraid to admit that I want to be able to see what I'm reading! I could look at another of her books. Great for a beach or plane. ... more read over the course of a three-night stay at the conference. An interesting compilation of short stories, all with a connection – and some very tiny – by Jane Eyre. My favorite was the statement of made female caretaker. Others didn't seem related at all. Overall, however, an interesting read. Read over the course of a three-night stay at the conference. An interesting compilation of short stories, all with a connection – and some very tiny – by Jane Eyre. My favorite was the statement of made female caretaker. Others didn't seem related at all. However, in general, an interesting ... more Really liked most of this book – read it in one sitting yesterday – but ends up putting me off. I think I'll get a tattoo that says: Dislike ends because it seems to happen to me a lot. This one seemed silly and at odds with the overall tone and atmosphere of the book. But there was a lot here I liked so 3 stars it is. Really enjoyed most of these books – read it in one sitting yesterday – but the ending put me off. I think I'll get a tattoo that says: Dislike ends because it seems to happen to me a lot. This one seemed silly and at odds with the overall tone and atmosphere of the book. But there was a lot here I liked so 3 stars it is. ... more I love Michele Roberts, but this book seemed out of character for her, not her style at all. I can't say I liked it that much, left me frustrated, which never ever happens to me when I read Michele Roberts Loved writing, but hated the story... Very strange characters are some cute and funny bits in this book, and great endings, but eventually I found this dull read, far below my expectations. I read this while giving birth. It was a strange choice. My plan was reading Little, Big John Crowley, but my daughter was ten days late being born, and I had already completed that. Odd and deliciously farical. The end was 50oo disappointment - I felt betrayed! Betrayed!
