Bukidnon January 6, 2021 All Like & interested candidates can send their resume to one of the following: HRG-Recruitment, Head Office 9th Floor, North Tower BDO Corporate Center at 7899 Makati Avenue, Makati City HRG-Recruitment, Greenhills 2nd Floor, BDO Bldg. 2 Ortigas Avenue corner of Roosevelt Avenue San Juan City Email: hrmd@bdo.com.ph Client Service Associate works in the financial industry that offers its services to financial advisors and their clients. They can perform administrative duties and basic financial functions, but their main task is to help customers. They can answer customer questions, set up meetings between clients and consultants, and communicate with clients with information about their accounts or investments. Customer service partners act as part of the customer service team of the bank or investment company, usually by notifying the branch manager or manager. According to the Bureau of Labor Statistics, financial employees, which include Customer Service partners, are expected to see job growth of 6 percent by 2024. As a result, around 89 300 jobs will be added during this period. Customer Service Related Responsibilities and ResponsibilitiesClient service Associate2014 - PresentThe Colony GroupAsitting for day-to-day customer request and query management. Preparation and documentation of customer details in an accurate manner. Development of reporting applications and delivery during time periods. Coordination with financial advisors in relation to investment products and services. The type of company for which the customer service partner works will significantly define its responsibilities and responsibilities. However, there are a number of common primary all customer service partners can perform. The following key responsibilities were set up in the review of the current job lists: It is the primary responsibility of the customer service company to assist the company's customers. This will vary depending on the type of company, but it is not uncommon for a customer service partner to communicate regularly with customers by electronic means, written correspondence or telephone. They can discuss with them the customer's account, answer questions or arrange meetings. Customer service partners can also handle customer complaints and provide solutions. Process DocumentsClient service associates are often asked to update, maintain, or access customer accounts, activities, or documents. They can ensure that the customer has received all the necessary documents and is properly submitted, or they can even walk with the customer through the document itself, so there is no ambiguity as to how to fill it in properly. They can help you scan and save documents, and they can access accounts to provide customers with updates or information about their latest transactions. To carry out administrative dutiesAptus servicing associate is also invited to perform administrative tasks that keep the financial group running smoothly. They can book conference rooms, organise meetings, print reports and materials, as well as any other tasks required. Some customer service partners may also be encouraged to assist with human resources tasks such as payroll services and budget issues.
