Final fantasy grandmasters apk mod

APK Tools----- game information (-----) Dream Collaboration! Legendary heroes and villains from throughout the FINAL FANTASY series have come together in a compelling story of powerful deities and a world in danger. Fans of the series will see their favorite characters in a completely new adventure, and newcomers will experience the irresistible story, drama and battle for which the series FINAL FANTASY is known! Take part in a simple but strategic fight in turn! The unique Bravery system challenges you to balance the offense with defense as you build your courage and wait for the right moment to strike! Get your party together! Build parties of dozens of HEROES and villains FINAL FANTASY and prepare them for battle with a variety of equipment and abilities. Go on a journey with your favorite characters and meet with familiar faces, agendas and more along the way! Play with your friends! Multiplayer quests allow you to join forces with two other players to bring down mighty enemies and earn fabulous rewards!----- History -----Darkness converges on us, and the world is collapsing before our eyes... What was once a sanctuary for the weary has now become a battleground. Once upon a time, the deities Spiritus and Materia are the devout fabrics of time and space to create a new world-world that they inhabited warriors from other worlds. These men and women were forced to fight day and night without a reprieve, and the tension of the endless battle soon became too great. With battered bodies and broken spirits, they sent out a cry for help...
